HEADTEACHER'S MESSAGE

Dear Parents and Carers,

We have had a very busy week.

Our Year 11 students have received a number of visitors from a variety of different sixth forms as part of our programme of preparing them for their post 16 choices. One of the visitors we were delighted to welcome was Ms Mcfarlane, former Headteacher of WSFG, who now leads Isaac Newton Academy, part of the Ark chain in nearby Redbridge. Other schools this week have included Woodford County School for Girls which also proved very popular with our girls, and, on Friday we host a visit by representatives from Big Creative Education in Waltham Forest. I have been very impressed by the girls' perceptive and probing questioning as they reflect on this very important next step.

Year 10 made their SPL Ms Warren, tutors and senior staff extremely proud with their impressive public speaking on Tuesday. One third of the year group took part and bravely volunteered to speak in front of their peers and judges as part of this year's Jack Petchey 'Speak Out Challenge'.

WSFG was a regional winner two years ago so the stakes were high. Chosen topics included free speech, tolerance, faith, sexuality, body image, stereotypes, homelessness, the Syrian war, body shaming, age, fear, LGBT and, touchingly, my Grandmother. Congratulations to the following students who have been selected to go through to the next stage when they will give their speech to all of their peers next month:

Kalila Hambloch 10W, Eve Billington 10W, Sultan Rifat 10S, Millie Small 10F, Alice Evans 10F and Ella Palmer 10G.

Four students also received 'highly commended' certificates:

Hannah Rashid 10W, Alex Goodfellow 10S, Bushra Anwar and Scarlett Williams 10F.

This week, our experienced and successful Year 10 netball team represented WSFG at the Waltham Forest Borough Netball rally. We are still awaiting news of the final result.

Also in this Greensheet is an account of a wonderful conference for girls, 'Inspiring Women in Maths', held at Imperial College last week. This opportunity came about through our engagement with the Association of Maintained Girls' Schools which enables school leaders of girls' schools nationally to plan and offer an aspirational programme of activities for our school students.

Congratulations to all our September attendance winners- especially 7G-top in school. Well done!

Finally, please note the invitation to parents/carers to get more involved in the governance of the school as we have a vacancy for a parent governor. As a community school, offering a fully comprehensive education with consistently high results, it is important for us to have a full complement of committed and skilled governors who have the capacity to actively engage with our work as well as represent WSFG to external scrutiny, for example, LA advisors and Ofsted.

Best wishes,
Meryl Davies

An important reminder about forthcoming early closures this half term- please note:

We have an **early closure for all students on Thursday October 13th** and a **school closure on Friday October 14th** due to our annual Open Evening which is followed by a training day.

Year 7 leave school at **12.25 on Wednesday October 19th** due to the Year 7 Settling-in afternoon.

6th October, 2016

Dear Parent/Carer

Walthamstow School for Girls has a vacancy for a parent or carer to serve as a school governor and I hope you will consider putting yourself forward. The term of office is four years but you can step down earlier if you wish. The Governing Body's main tasks are to support the school, ensure that students receive high quality education and plan for future development and improvement.

If you would like to stand as a candidate please complete the reply slip attached and return it to the school no later than Friday 21st October, 2016.

If there is more than one candidate an election will need to be held but this is a straightforward process. All you need to do is write a short paragraph (no more than one hundred words) saying why you want to become a Parent Governor; this will be sent to all parents and carers with a voting paper.

Should there be only one candidate apply then this person will automatically become our Parent Governor.

The work of our governors is very important to the school in key areas such as oversight and development of the ethos and curriculum of the school; well-being of pupils; staff employment and use of resources as well as ensuring that the school maintains its high standards in all areas. You will be asked to attend an (evening) meeting of the Governing Body once (or twice) a term and invited to work on a committee of governors again once (or twice) a term. We hope you will also visit the school occasionally during the day and help in the oversight of an area of the curriculum. We are not looking for any particular expertise but rather common sense and willingness to give some of your time are the important requirements. However, if you have specialist knowledge or relevant experience, do please mention it in your statement. Training will be provided for new governors in the role.

As a school we are always mindful that the Governing Body should reflect the local community that the school serves and members of ethnic minority groups are therefore particularly welcomed on the Governing Body and are encouraged to stand for election as parent governors.

Governors will also be subject to a Criminal Records Bureau (CRB) check under the Police Act 1997, Part V and will be checked against the DFES List 99 of people who are not permitted to work with children.

Yours faithfully

Meryl Davies
Headteacher

Please return this slip in an envelope marked for the attention of Ms Royds and return to the school office by Friday 21st October, 2016.

I wish to stand as a candidate for election as Parent Governor at Walthamstow School for Girls.

First name:

Family Name (Mr/Mrs/Ms etc.):

Signed:

Home Address:.....

These details will appear on the ballot paper sent to parents.

Remember to include your statement (no more than one hundred words) saying why you want to be a school governor.

Information for Parents / Carers Head Lice

Dear Parents / Carers,

It has been brought to my attention that a number of students in various year groups throughout the school have head lice at the present time. At school we are not entitled to make any head inspections, nor would we wish to, so the responsibility for treating head lice lies with parents / carers.

If you suspect your daughter has head lice, they must be treated systematically and the full instructions on the treatment lotion must be followed until she is completely clear. If some of the eggs remain, she will continue to have lice as they do breed quickly. The lice and eggs may take a number of treatment sessions to eradicate. The recommendation is that the whole family is treated at the same time as head lice are very easily passed on.

Recommendations about the best lotions and treatments can be made by your chemist or pharmacist.

If your daughter does have head lice and she is being treated for them, there is no reason to keep her away from school, but it would be useful for you to inform us so that we are aware.

Thank you for your support in this matter.

Assistant Headteacher

Shakespeare 2016

2016 marks the 400th anniversary of the death of William Shakespeare

To commemorate this important event the LRC will be selling commemorative key rings of our Greek Theatre for £1.

A selection of greetings cards are also available.

All proceeds go towards the Walthamstow School for Girls Alumnae in order to maintain a community amongst students and staff, past and present, and celebrate Walthamstow School for Girls' achievements.

Information for Year 7 Parents and Carers
“Settling-In Afternoon” Wednesday 19th October.

Dear Parents and Carers,

As your Year 7 daughter has now been with us for almost a month, we will be having a Year 7 “Settling-in Afternoon” on Wednesday 19th October.

Your daughter will be given an appointment by her tutor and she will have this put into her school planner. This appointment is for you to come into school with her and meet with her Tutor.

The appointment will be between **1.30 and 4.30pm on Wednesday 19th October.**

The Tutor may be able to accommodate you if you request a particular appointment, so please communicate this by using your daughter’s planner.

Her Tutor will have a copy of her settling-in report for you and will be able to discuss the outcomes with you during the appointment. You will be given a copy of this settling-in report to take home with you.

Your daughter will be dismissed at **12.25pm on Wednesday 19th October** and will be expected to go home to return with you in her full school uniform to attend the appointment. I am afraid we do not have the capacity to look after your daughter after **12.25pm**, so you **MUST** make arrangements for her to leave school and only return with you at your appointment time.

We hope you will find this appointment useful and we look forward to meeting with you.

If your daughter is entitled to a free school meal and wishes to order a packed lunch to take with her when she leaves school at 12.25 on Wednesday 19th October, please ask her to see **Ms. Fearon / Mr. Morrow by Thursday 13th October.**

If you have any concerns or questions about the “Settling-in Afternoon”, please contact your daughter’s Tutor or her Progress Leaders, Ms. Fearon / Mr. Morrow

Thank you for your continued support

Assistant Headteacher

Focus of the Fortnight
3rd – 14th October 2016.

The focus: Student Lanyards, One Cards and Conduct Cards.

Dear Parents and Carers,

The Focus of the Fortnight will be on student lanyards, one cards and conduct cards. These items are **ESSENTIAL** pieces of your daughter's uniform at WSFG. She is expected to have them and wear them every day at school.

If she does not have one or any number of these items with her on a school day, she will be given an automatic detention of one hour the following week, of which you will be informed by letter and / or text. Please ensure she has these items ready for school.

Thank you for your support in this and in all school matters.

Ms. Pratt
 Assistant Headteacher

All students have been given a lanyard, a photo ID One Card and a Conduct Card that they must wear at all times during the school day.

Sanctions to be applied.

If a student is not wearing any of the required items (Lanyard, photo ID, One Card or Conduct Card) a detention of one hour will be set.
 The student will also have her conduct card signed.

The **ONLY** items that are allowed to be worn with the lanyard are school responsibility badges, locker key and small USB.

Attendance League for September 2016.

Well done to 7G, 8C, 9C, 10W and 11C for being September winners.

100% certificates and pin badges have been given to the SPL's who have or will be handing them out shortly. Students are allowed to pin the badges onto their lanyards.

There will also be a raffle for each year group. The students that have 100% attendance for the whole year, will go into the draw to win a prize. Below is a list of students with 100% attendance for last year. (They are listed in the forms for last academic year).

WSFG PE Kit List

Compulsory Items

- ◆ Yellow polo shirt.
We have a small supply that can be purchased from the Performing Arts Faculty Office.
- ◆ Green jogging bottoms or green shorts. Plain white or black socks.

- ◆ Trainers (plimsolls offer no support for feet or ankles so we highly recommend trainers for PE lessons).

Optional Items

- ◆ Green sweatshirt.
- ◆ A long sleeved plain white or black top may be worn underneath t-shirts.

Banned Items

- ◆ No jewellery can be worn in PE lessons so any girls with newly pierced ears must bring tape/plasters to put over them.
- ◆ Students will not be allowed to wear school jumpers or cardigans, tights, scarves or gloves for PE lessons.
- ◆ No hooded sweatshirts.
- ◆ Long hair must be tied up for health and safety reasons.

Please make sure your daughter's clothing has her name and form clearly marked in it, so that it can be returned to you more easily, including P.E. Kits.

Year 10: English Checkpoint Test

An Inspector Calls

The first English checkpoint test for Year 10 will be on **Monday 17th October**.

10W, 10S and 10F will have their test period 2.
10G, 10C and 10H will have their test period 4.

It is vital that your daughter takes the checkpoint test as it gives her an opportunity to see how well she is doing and what she needs to work on to be exam-ready.

Please do not make any appointments during the time of your daughter's test.

Bikeability Success

Well done to the girls listed below who undertook a two week cycling course after school and were able to successfully complete their Level 1 and Level 2 Bikeability test.

These girls were given an introduction into riding on local roads. They were able to practice and develop the skills necessary for making short journeys on bicycles. Fortunately for these girls they were able to use bikes that belong to the school. This was good because many of them did not have their own bikes or limited access to their brothers' bikes.

It is fantastic that our school is able to loan them bicycles on which they can perfect the skills learned and grow in confidence to be able to take longer journeys in the future.

Inspiring Women In Maths Conference

On 29th September, eight students from Year 10 had the opportunity to attend a fantastic conference at Imperial College. There were a variety of inspirational female speakers, starting with Rachel Riley from Countdown, a selection of workshops delivered by PhD students and ending with a hugely entertaining talk by Professor Hannah Fry.

Here is some feedback from the participants:

The day was really motivational and inspired me to study maths further. Also, the workshops were very informative. For example, I learnt that if a triangle is drawn on a sphere, the angles no longer add up to 180 degrees! It was also interesting to learn that a degree in maths can lead to so many different careers. One speaker has access to all of the Oyster card touch in/touch out data and analyses travel patterns. She gave us some tips on the best times to travel to avoid the rush.

Sehr Karim 10H

My favourite part of the day was the talk by Hannah Fry as she engaged the audience. Over the course of the day I learnt a lot about random numbers. I am now even more interested and inspired by mathematics than I was before.

Anchichiha Sivayogalingam 10C

My favourite part of the day was learning how to make mathematical braids and the lecture by Hannah Fry. I learnt that humans and computers are very bad at generating random numbers. I also learnt about bubbles and how they are being used to treat cancer. I found it really fascinating that an application of maths could lead to saving lives. The day was very inspiring as I had no idea that a degree in maths could lead to so many different discoveries. It's great to study maths!

Hafsa Ahmad 10S

My favourite part of the day was the talk by Hannah Fry as I could understand it and it was very interactive. During the day I learnt maths by making friendship bracelets and how common multiples affect the design. My perceptions of maths at degree level were changed during the day as I found that there are lots of different areas of study. It's not all confusing.

Emily Ford 10H

I really enjoyed Hannah's talk as it was interactive, engaging and interesting. I never really thought about maths in that way before. It was great to see the range of different areas that you can choose to study and find something that you are really interested in. You don't have to pursue an area you don't enjoy.

Katrin Ahven 10W

You too can be inspired by Professor Hannah Fry. Several YouTube clips can be found here:

Win

a trip to the Royal Opera House

In January 2016, 30 lucky competition winners from WSFG won a trip to a performance of Tosca at the Royal Opera House in Covent Garden. We now have another opportunity for students to win tickets to the ROH, this time students have the chance to attend a matinée performance of Verdi's opera, **Il Trovatore**.

To enter,

- *Research the opera's plot, the setting and the characters.*
 - *Write the story in your own words.*
 - *Write a few sentences saying why you want to visit the opera, (preferably typed - maximum 1 side of A4 paper).*
 - *Remember to add your name and tutor group to your entry and return to Ms Davies via the front office.*
- Closing date Tuesday 1st November, 2016.***

Entries are particularly welcome from students who have not visited the opera before and would like to find out more.
