April	HEADTEACHER'S MESSAGE			
Summer Term 2017	Dear Parents and Carers,			
Start: Tuesday	We had our Year 8 Parents/Carers Subject Evening last night. It was very heartening to see so many of you there-and an endorsement of the 100% support you give to your daughter's education. This is so encouraging for our teachers. Plus your survey feedback to us following these evenings is always valued. We read some uplifting comments including ; 'brilliant school, very happy parent' 'our daughter loves being at this school', ' very happy with all the teachers' and 'a lovely atmosphere and excellent teaching level, well done to all the staff!' so thank you for those.			
18th April	However, in discussion with one of our Science teachers, it is clear that our staffing difficulties in certain areas have caused concern. As a parent myself, I understand those anxieties. This year we have supported a number of our teaching colleagues through some serious health issues. These are valued colleagues, and none of us can ever foresee when a serious illness can befall us. Over 85% of the school's income pays for our staff so we need to care for that investment whilst ensuring that the quality of the education to your daughter is protected. Examination classes have been our primary concern, as you will appreciate; however all of our staff covering for sick staff who are not permanently with us are subject specialists.

There have been, as usual, a range of student events organised this week. Congratulations to our Year 9 Mathematics team who took part in the maths challenge at Bancroft's School and came 13th out of 30 school finalists-and thank you to Ms Hafiz for accompanying them. Well done to:

Kate Lucas (9G), Emily Jeffery (9W), Aini Noorally (8W), Dorothy Kouame (8W).

We also celebrated the fascination of number on 'Happy World Pi Day' on Wednesday. Cakes were eaten, customised Pi earrings were bought, Pi was learned and recited-by large numbers of girls. Could you learn by rote then recite this sequence?

Other student events this week included a Science in Action trip, a Maths Inspiration visit to the Institute of Education, a lunchtime enterprise event in school on Wednesday and on Friday, thirty Year 9 students were involved in an Old Vic Schools' Club workshop on the play "Rosencrantz and Guildenstern are Dead' by playwright Tom Stoppard, which they will be seeing at the Old Vic next week.

Also this week, we received a letter from Nick Gibb, which we have reproduced here.

Best wishes

9 March 2017

Dear Ms Davies,

I would like to congratulate you, your staff and your pupils for the high levels of progress your pupils are making.

Your school's results, as published on 19 January, show that you are amongst the top five per cent of schools in terms of the progress your pupils make between key stage 2 and the end of key stage 4, using the Progress 8 measure.

We want to ensure that every child progresses positively through their education, whatever their starting point, to broaden their future educational and employment opportunities.

Thank you for your work in producing such high standards and congratulations again to you and your staff for your hard work and professionalism.

With best wishes.

Yours sincerely,

A handwritten signature in black ink that reads 'Nick Gibb'.

Focus of the Fortnight
13th – 24th March 2017
Litter in the School Environment

Dear Parents / Carers,

The Focus of the Fortnight for 13th – 24th March 2017 is on **Litter** in the school environment.

All members of our school community deserve to learn and work in a clean, healthy, litter-free environment. We have litter bins all around the areas of the school buildings and grounds where students are allowed to eat and drink. There are also bins with lids in each classroom. We want to keep our school environment clean and litter free. We expect staff and students to model good litter management by picking up litter when it is seen. By working together, we can keep WSFG litter-free.

Ms. K.H.Pratt

Assistant Headteacher

We all have the right to learn and work in a clean, healthy, litter-free environment.

Staff and students are expected to pick up litter that is seen in order to model positive litter management.

During the Focus Fortnight, there will be rewards for picking up litter, so check any litter picked up **BEFORE** putting it in the bin as you may have won a prize which will be written onto the piece of litter!

**Let's all work together to keep WSFG
 a clean, healthy, litter-free environment.**

International Women's Day

What's My Line

Last Friday we held our popular "What's My Line" activity for Year 9 students to celebrate International Women's Day. We invited female guests from various working backgrounds to help inspire our students in realising that anything is possible. The aim of the activity is for students to ask the guests questions in an attempt to guess their job title.

Our guests this year included a firefighter, writer for children's animation films, radio presenter, project manager for the BBC News website, Cancer Researcher and a lawyer to name but a few.

Both visitors and students had a very enjoyable morning and many of our guests said that they would be delighted to join us again next year.

Shapeshifter Productions has devised a cultural exchange project, East Winds, a collaboration with Shetland Arts, Dhruv Arts and Waltham Forest Music Services.

This is an exciting and unique opportunity for six young violinists from North East & East London to be part of a cultural exchange programme with six young fiddlers from The Shetland Islands, exploring Indian and contemporary classical and traditional music, supported by Arts Council England and Creative Scotland.

Over the space of ten months, two groups, each of six young musicians, aged 12-14 years, from different social backgrounds and environments will swap roles, spend time in each other's habitats, share experiences, music, lifestyles. Guided by professional musicians and project leaders, it will culminate in developing a short repertoire and devising a piece of original music inspired through this experience, performed North East & South East of the U.K. two being on Shetland, two in London.

Started in February this year, the participants are encouraged to keep in regular contact with each other through webcast, blog, Instagram, Skype, Facebook and other social media and will be documented through film and photography.

The project consists of two, one week residencies:

Congratulations to *Nuriya Qureshi* 9S who has been selected to take part in this exchange. Here is her review so far;

I have been selected by East winds, a music organisation which specializes in giving opportunities to all talented musicians in the borough, to participate in an exchange program with a music center in the Shetland Islands, Scotland. As part of the exchange I will be spending a week in Shetland with five other musicians from London and six violinists from up North. A few months after we come back, the musicians will come down to spend a week in London. Throughout the week we will be rehearsing and performing, we will also be completing the Bronze Arts Award. As part of that we have to show that we have performed, collected ideas and compose some music.

I will be going up to Shetland the first week of Easter, which is a two hour flight to Aberdeen, then board the 5:30pm ferry to Shetland, it takes eleven hours and I'll arrive at 7 o'clock in the morning.

School History

With Crufts this year creating a controversy over what a Spaniel should look like, I thought it would be appropriate for me to share two items from the *Iris* magazines of 1948 and 1946.

Ms Kelly
LRC Manager

Dogs have always been welcome at W.H.S. because so many from Miss Hewett, downwards have been lovers of dogs. Especially we take a vicarious pride in the glories of the spaniel kind, because of Miss Hooper's famous Ranscombe Kennels, many handsome specimens of which have enlivened teaching routine.

One day in June this year an army of glamorous canines marched, confidently upon the educational citadel in Church Hill. Their password was, Miss Hooper and the "School Benevolent Fund," whereupon the gates and the mere humans fell flat before them. Shepherded by Miss Hooper's skilful hands into their appropriate class and expertly judged by Dr. Rickards, they demonstrated that surest of all charms, "The certainty to please." They did this to the tune of £30. We are indeed grateful to both Miss Hooper and to Dr. Rickards for all their kindness and trouble.

Miss Hooper with her Spaniel in 1946, far left.

A former pupil remembered the school dogs sitting in the classrooms and following their teacher owners around the school.

Can you spot the Dachsund in this photograph?

Sunken Garden in Attlee Terrace, Prospect Hill

Spring is in the air and what better way to celebrate than a bit of gardening!

This Saturday in the Sunken Garden in Attlee Terrace, **11am - 3pm**, we will have a gardening session and also ask you to share your ideas on the design of the garden.

What does your dream garden look like? What would you like plant there? What will make the garden a warm and welcoming place for everyone to enjoy? Please come with lots of ideas and be ready to share them!

We will be providing refreshments and tools, but please wrap up warm and wear suitable footwear. If you

haven't visited the 'Sunken Garden' yet, it is located in front of Attlee Terrace estate, overlooking Prospect Hill. You can find a map to the location [here](#).

If you haven't done so already, please like us on Facebook - so we can also share updates on Sunken Garden activities with you on there.

Please see the upcoming workshop dates below and also look out for posters in the estates announcing these:
