## SIXTH FORM OPEN EVENING

8<sup>th</sup> January 2026 | 4:30pm - 6:30pm

**REGISTER INTEREST**

# HEAD OF SIXTH FORM WELCOME

At Cardinal Pole Sixth Form, we foster a respectful, caring community where every student is supported to thrive. Our dedicated staff, small class sizes, and strong pastoral care create an environment where high standards and personal growth go hand in hand.

We provide expert teaching and tailored guidance, ensuring students not only excel academically but are also well prepared for the real world.

We have continued to see students excel at our outstanding Sixth Form this year with 99% of students passing their post-16 studies. More than three quarters of students achieved grades A\* - C in their final GCE exams this Summer and more than a third of students secured the top grades of A\*- B.

We saw equally strong results in our L3 qualifications where 100% of students achieved Merits or above in all areas; this was once again well above national averages.

As a result, our students progress to top universities - including Oxford, Cambridge, Bristol and LSE - and pursue successful careers in fields such as law, medicine, finance and the arts.

We can't wait to welcome you to Cardinal Pole Sixth Form and support you in achieving your full potential.

**Mr S. Rahman**  
**Head of Sixth Form**
