

## Discover Tech-related Post-16 Options at Ada's Open Morning

Is your child currently in Year 11 and considering a future in Tech? We warmly invite parents, guardians, and students to join us for our two upcoming **open events in February and March**.

These events are fantastic opportunities to explore our campus, meet our dedicated teaching staff, and learn more about the wide range of courses we offer. Whether you have questions about specific subjects or want to see our state-of-the-art facilities, our team will be on hand to help you make an informed choice for the future.
