# SIXTH FORM WELCOME

Welcome to Bishop Challoner Sixth Form, a vibrant, high-achieving community where every student is valued, supported, and inspired to succeed.

With over 90 years of service to the East End, we are proud of our tradition of academic excellence and strong pastoral care. Our dedicated staff are committed to transforming lives through high-quality teaching, personalised guidance, and a culture rooted in faith and love.

We offer a broad range of A Level and BTEC courses, designed to challenge and motivate every learner. Alongside academic study, students benefit from tailored careers advice, enrichment opportunities, and pastoral support that prepares them for life beyond school, whether at university, in apprenticeships, or in the workplace.

Our diverse and inclusive community celebrates every individual's talent and ambition. As the Catholic Schools Inspectorate noted in 2023: "Staff are positive role models for pupils, shown through their relationships with each other and the supportive pastoral care they provide."

If you are looking for a Sixth Form where you will be encouraged to achieve your best, grow in confidence, and flourish in faith, Bishop Challoner Sixth Form is the right choice.

We look forward to welcoming you to our community and supporting you on your journey to success.

**Ms Griffiths**

Head of Sixth Form
