FRIENDS OF WSFG

WSFG Alumnae is expanding - and you could be a part of it!

WSFG Alumnae is Looking for Parents and Carers to establish an 'WSFG Friends & Carers Alumnae Group'

- WSFG Alumnae is made up of a small committee of alumnae and school staff with an active interest in the school. In the past years, we have held monthly meetings in our bid to keep alumnae updated on each other and the school's development and its activities.
- We produce a termly newsletter, have a dedicated web area, hold a regular quiz night, run the Open House at the school every year and support the school with events and initiatives. We would like to continue doing so and would welcome the contribution of parents and carers of students to establish a wider community of friends and alumnae and to reinvigorate the group to do more.
- If you are interested in joining or would like to be kept updated on the next steps, please get in touch with Lesley
Winter: lwinter@wsfg.waltham.sch.uk or wsfgalumnae@gmail.com
- *For more information visit our website: <https://www.wsfg.waltham.sch.uk/alumnae/whoarewe>*

Alumnae Mission Statement

- To maintain a supportive community amongst students, parents and staff, past and present, and celebrate Walthamstow School for Girls' achievements.

ONLINE SAFETY

Online Safety

Minimum age to open an account on Facebook, Twitter, Instagram, Pinterest, TikTok and Snapchat is **13**.

As of May 2018, WhatsApp's minimum age of use is **16**.

YouTube requires account holders to be **18**, however a 13-year-old can sign up with a parent's permission.

Online Safety

- **Cyberbullying**
- **Online Grooming**
- **Location Services**
- **Livestreaming**
- **Illegal File Sharing**
- **Sexting**
- **Social Media Presence**

Online Safety

- **Have conversations about online activity**
- **Think before posting**
- **Private social media accounts**
- **Ownership Awareness**
- **Public Social Media – Monitor Direct Messages**
- **Password Security**

SIMS PARENT APP

SIMS Parent App

Have you downloaded the new SIMS Parent app?

Receive alerts about your child's attendance, behaviour and achievement, direct to your phone.

Simply visit the App or Play Store and download SIMS Parent to get started.
Or login online at www.sims-parent.co.uk
Ask your school for more information.

Download on the App Store | GET IT ON Google Play

CAPITA | SIMS helping schools inspire.

- Just search for "sims parent app" in the Apple app store or Android play store and download
- You need to have a registration activation code from the school. If you need one, please contact: info@wsfg.waltham.sch.uk
- Once registered, you can link your account to various email or social media accounts such as; Hotmail, Gmail or Facebook to avoid having to use another set of usernames and passwords
- Once logged in you will have access to data on; school calendar events, home learning activities, attendance, conduct, timetables and reports
- Do refer to our website for a useful guide and overview:
<https://www.wsfg.waltham.sch.uk/parentapp>

ASSESSMENT AND MEASURING PROGRESS

Assessment and Measuring Progress

The Curriculum

We want students at WSFG to love learning. The curriculum at Walthamstow School for Girls allows students not only to excel in their exams but also prepares them for a life-long love of learning.

From the moment students arrive they experience a rich and stimulating education offering both breadth and depth where the aim is to inspire. As such, we offer a curriculum which is not only enriching but that seeks to stretch, challenge and engender ambition in our students.

We have had a particular focus on curriculum review, design and development over the past 3 years. Please see the attached map that outlines the work of the school in this area.

Attainment

Level	Description
Extending	Working well above expectation
Advancing	Working above expectation
On Track	Working at expectation
Working towards	Working below expectation
Acquiring	Working significantly below expectation

Progress

Exceeding the expected progress
Making good progress
Not making the expected progress

Well being

- "The school has a culture where the safety and well-being of students is paramount. Pupils recognise this, as do the parents....."
OFSTED

- We offer support and interventions in school with:
- Our KS3 Learning Mentor Ms Dominique
- Our Counsellor x2 days per week
- Our SPL and Tutor

SQUID

- The schools e-payment facility for lunch, trips and purchasing resources
- School on the journey to becoming cashless, so all trips will be managed through sQuid
- If not already done so please register via our school website or directly at:
- <https://portal.squidcard.com/LoginPortal/>
- Once your registration is complete you need to activate your account via the email sent to you and use the 16 digit code on your registration letter and 3 digit security code sent to you by the school. If you need a new letter please contact: info@wsfg.waltham.sch.uk
- There is a handy App can be downloaded from App (iphone) and Play (Android) stores
- Once logged in you can pay for “offers” related to trips and top up lunch accounts
- For some useful guides please go to the “Parents” section of the school website

START PROFILE

CAREERS

Start Profile

- *Start* is an online platform that helps you to explore careers – this will help you learn more and support your child in their careers education and future options.
- *Start* includes information on post 16 & post 18 education, industries, companies and employment skills.
- ALL students have a login to *Start* and their login will last them forever (or as long as the company lasts).
- At WSfG we will be using *Start* in some of our PSHE lessons to support our careers education.

YOU WILL RECEIVE AN EMAIL WITH THE FOLLOWING LINK ALLOWING YOU TO SET UP YOUR OWN START PROFILE AS A PARENT / CARER

<https://sway.office.com/ug7OOWGBat4Ww6eB?ref=Link>

- **Barge Haybay** (extra) – July 2020 - £100

GREEN VISION

What will my daughter be learning?

KS3 Curriculum and The Wonder Years

“... making sure that children’s time in education are their wonder years. The time when they get to grips with the power and flexibility of the English language and the fundamental mathematical concepts, when they learn about the scientific principles that shape the world around them and the universe, and the events that have forged history.

It should also be the time that children discover the possibilities of foreign languages, develop an appreciation of music and the arts, as well as the rudiments of some principles and practice of design and technology.”

GREEN Vision for Learning

- To encourage skills for self-regulation so students are not dependent, passive recipients of knowledge, but, rather, are active in their learning.
- To embrace mistakes and barriers because we know they are a key part of the learning process.
- To have access to one-to-one technology to encourage empowerment and engagement enabling students to prepare and embrace future opportunities and challenges.
- To encourage inclusivity and collaboration, fostered by one-to-one technology.
- To teach the **GREEN** skills which support independence and a capacity to learn for life.

GREEN skills for empowered learners
