Individual report for parents

School: Walthamstow School for Girls			
Group: 1			
Date of test: 21/09/2020	Level: D	Age: 11:05	Sex: Female

What is CAT4?

Your child has taken the *Cognitive Abilities Test Fourth Edition (CAT4)* which assesses how well a student can think about tasks and solve problems using a range of different questions.

Some tasks involved thinking about shapes and patterns (Non-verbal Reasoning), some with words (Verbal Reasoning) or numbers (Quantitative Reasoning) and, finally, some questions were answered by thinking about shape and space together and imagining a shape being changed and moving (Spatial Ability).

Why use CAT4?

- CAT4 is used in many schools across the UK to provide information to teachers, students and parents that, with other information such as results from Key Stage 2 tests, forms the basis for discussion about how best an individual can learn and reach his or her potential in school.
- CAT4 does not require any prior knowledge and you cannot 'learn' how to answer the questions in CAT4. It is therefore a good test because everyone starts at the same place.
- The abilities tested in CAT4, such as spatial ability, may be difficult to demonstrate in the classroom so it is important that teachers know the level of a student's ability in such areas.
- CAT4 contributes to setting targets (for example, levels expected at the end of the next Key Stage or grades at GCSE) and allows an individual's progress to be monitored.
- CAT4 results will help your teachers decide about the pace of learning that is right for an individual and whether additional support or challenge is needed.
- CAT4, unlike an English or maths test, is not a test of what the student has learned. It tests how an individual can think in areas that are known to make a difference to learning and achievement.

The image shows a screenshot of the Microsoft Teams interface. At the top, a search bar contains the text "Look for messages, files, and more. Or type / for a list of commands." Below this, a navigation bar shows the current team's name "10X_Rs1 - Religious Stu..." and a list of tabs: "General", "Posts", "Files", "Class Notebook", "Assignments", and "2 more". A red oval highlights the top navigation bar. Below this, a larger section of the interface is shown with a dark blue header. This header contains the team name "General" and the same list of tabs: "Posts", "Files", "Class Notebook", "Assignments", and "2 more". A red arrow points to the "Posts" tab, another to "Files", a third to "Assignments", and a fourth to the "Meet" button on the right. The main content area shows a message from "Robert Morrow" dated "9/9 8:54 AM" with the text "Added a new tab at the top of this channel. Here's a link." Below this, there are sections for "Insights", "General started", "Collapse all", and a message from "Robert Morrow" dated "9/10 2:01 PM" with the text "Hey ya'll". There is also a "Meeting ended: 43s" notification and a "View assignment" button. At the bottom, there is a "Start a new conversation. Type @ to mention someone." prompt and a set of icons for various actions like adding files, emojis, and video.

Headteacher's Message

Dear Parents Carers and Students,

Mental Health Awareness Day took place last weekend on Saturday 10th October, however, in school our KS3 year groups watched a virtual assembly in their tutor time which highlighted the importance of monitoring and looking after their mental health. Media reports and academic journals have documented the increase in students' mental health issues resulting from the national lockdown, as well as the deterioration of existing problems. For example, YoungMinds conducted a survey and found that 80% of respondents agreed that the coronavirus pandemic had made their mental health worse. Do take a look at Mr Morrow's presentation [here](#) on mental health, should your child wish to watch it again, or show it to siblings/friends.

October also marks Black History Month, a nationwide event that was founded to recognise the contributions that all those from black backgrounds have made to the UK. We believe that Black history should not only be acknowledged for a month and should, instead, be embedded in our whole culture and history, as well as
