

Dear Parents and Carers,

Year 10 exams – June 2022

Each academic year, students complete an end of year assessment in most subject areas. This is one of the ways in which we monitor the progress they have made in each subject.

The Year 10 exam window will happen between 6th June – 24th June. Languages speaking exams are also from 27th June to 1st July. The assessments which students will be sitting will vary from one subject area to another and may include practical, spoken and written assessments. All assessments will take place according to the exam timetable issued alongside this letter and exam booklet.

We know that parents will want to ensure their child is prepared for these assessments and that they have the necessary information. We are therefore providing an exam guidance booklet which outline both what will be assessed and how it will be assessed in each subject area. We trust that this will enable you to support your child with their preparation. We have attached this booklet to the email we are sending you, but it is also available on the school website at the link below:

INSERT WEB LINK

Students will be given a copy of the exam timetable for the whole exam period.

In addition, to make sure our students are organised and prepared, Mr Shackson will be delivering a presentation to students on exam conduct and preparation. This will be shared on the website by the end of the week.

I hope this information is helpful and enables you to best support your child. Please do get in touch, should you have any further queries.

Kind regards

Mr O'Brien
Deputy Headteacher
