

Dear Parent/Carer,

We are aware that a number of you have contacted us regarding changes to teaching groups. Recent events have resulted in us reviewing the current teaching classes and so there will be some changes. As you will appreciate, this takes time to ensure we get this right and we are currently working on this now. We will be in contact with you at the beginning of next week to let you know when these changes will be actioned.

Kind regards

Miss Fearon and Miss Michaelis  
Heads of Year 9
