

Dear Year 11 Parents and Carers,

Thank you for attending our 'face to face' Year 11 Parents' Evening on Wednesday 24<sup>th</sup> January, it was lovely to see you. We would really appreciate if you could complete the Forms survey (link below) about the event. We want to hear your views on the evening to try and improve it in future. The survey also asks some general questions about Walthamstow School for Girls and the experience your child has had at our school. We are keen to improve our communications with parents and carers and we value any feedback you can provide.

The deadline for the survey is Friday 9<sup>th</sup> February

Kind regards,  
Ms Warren  
Assistant Headteacher
