

PE Department

Topic: Rounders Year: 8

Prior learning:
Students have knowledge from the scheme of work in year 7.

Learning sequence – Rounders Year8						Endpoint
Main learning steps	Recap to throw and catch a hard rounders ball	How to bowl under arm, looking at tactics	Tactics in batting	Rules of the game including scoring When do you score a full, half rounders?	Game play – tactics How to stop players from scoring, how to score full/half rounders.	To be able to play a game of rounders using skills, understand the rules and some basic tactics
Assessment	Peer assessment Bringing hands to chest, basket the ball. Fingers out	Peer assessment Step opposite arm, opposite leg. Flat ball, donkey drop	Peer assessment- Hitting the ball in a desired direction. Placing the ball where there are less fielders	Verbal feedback Explaining rules and refereeing	Verbal feedback Teacher and students refereeing games When to leave the base Where to send the ball when fielding.	Summative assessment. Game play looking at understanding of rules and the use of skills learnt. Showing they understand some tactics.

Where will we use these ideas again:
During next year's rounders and skills in cricket.
