HEADTEACHER'S MESSAGE

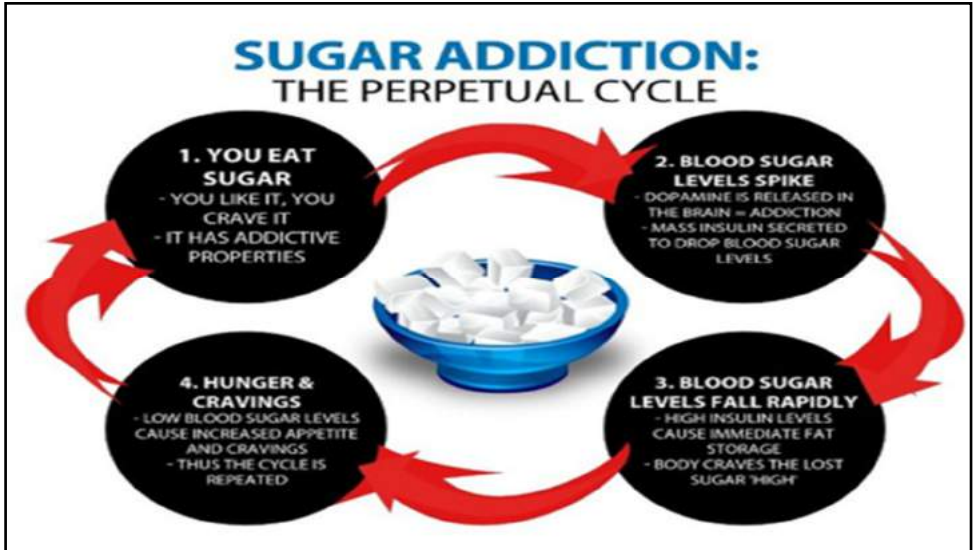

Dear Parents and Carers,

Our Year 11 students have had more GCSE examinations this week, including Music and their language orals. We wish them all every success between now and the end of June-and to their parents and carers during this stressful time.

Their attention was distracted momentarily in Ms Kennedy's Leadership Assembly which focused on the new sugar tax which will be introduced in April 2018. She demonstrated how much actual sugar there is in the kinds of foods and drinks that we might consume over a day and how this affects our brains, which followed on from my assembly last week on memory. She explained that by consuming over a day: granola cereal, a fruit smoothie, beans on toast, 3 jaffa cakes, pasta and dolmio tomato sauce, an energy drink and 2 hot cross buns, one would ingest 32 teaspoons of sugar (113 grams) which is well over four times our daily requirement. For young people, the risk is particularly over consumption of fizzy drinks, for example, there are 35g of sugar (7 teaspoons) in a can of Coca-Cola. Sugar, which has addictive properties, leads to dopamine release in the brain.

The impact of the dopamine on blood sugar levels is illustrated in the sugar cycle below:

Also this week we hosted a parental feedback session on our home learning pilot scheme. We will publish the results of this work in due course; meanwhile, if you have any queries, please contact Assistant Headteacher, Ms Philippou or Mr Salmon, Deputy Head of the Mathematics faculty.

We have just analysed the student surveys from the Year 8 Parents' Evening. It is encouraging to hear that 100% of the respondents (75) felt that 'teachers expect me to work hard and do my best', 99% said that 'I am taught well at this school' and 98% said 'my behaviour for learning is managed well by staff'. However a number did say that they felt there were instances of bullying, and also that they felt that not all staff treated pupils fairly and with respect. They also mentioned that homework is not regularly set. We will be following up these points with the girls. The research project we are running (mentioned above) is already reviewing our homelearning programme in KS3. In the parents' survey, two parents felt that they couldn't yet recommend the school to other parents whilst all the other respondents were overwhelmingly pleased. Do remember that you can make an appointment to see a member of staff if you do have any concerns, and I am available to meet with parents by appointment on my Monday evening 'surgeries'.

Let us hope that the weather warms up for the bank holiday

Best wishes,

Medical or dental appointments during school time.

Information for Parents/Carers

Dear Parents/Carers

As you know the safety of the students is paramount at Walthamstow School for Girls. We have a concern about students signing out of school to attend medical or dental appointments during school time.

Our attendance policy states that unless unavoidable or in emergency circumstances, medical or dental appointments should be made out of school hours.

If your daughter has an unavoidable medical or dental appointment, the school requires that you send in the letter or appointment card as well as an accompanying letter from yourself requesting that your daughter be allowed to leave school.

The school needs to see evidence of the appointment before we allow the student to leave the premises. We will also be “spot checking” by telephoning parents of students who wish to leave the premises to ensure that the appointment is genuine.

I hope you understand that we require this further information to ensure the safety of your daughter at all times.

Thank you for your co-operation in this and all school matters.

YEAR 11 Summer 2017 Written Examination timetable

The Year 11 Summer written examinations begin on **Monday 15th May** and finish on **Monday 26th June 2017** a copy of the timetable can be found on the school's website under the Exams section.

Please be aware that all examinations are set externally by the examination boards and the school cannot make any changes and is not accountable for any changes made by the examination boards. It is also important to remember that these examinations **cannot be taken at another time** so attendance is vital to ensure grades are achieved.

Many thanks,

Mrs Brickett

Focus of the Fortnight
Lunchtime Behaviour
2nd – 12th May 2017.

Dear Parents / Carers,

The Focus of the Fortnight is about the Lunchtime Behaviour of the students. All students are allowed in their form rooms at lunchtime but to ensure that good behaviour is maintained there is a clear Lunchtime Code they have to follow. This is displayed on the wall of each form room and Students are now familiar with its contents. All students are expected to follow the Code and form rooms are required to be clean, tidy and ready for learning and teaching at the end of break and lunchtime. Each form group has two “Room Reps” who have extra responsibility in ensuring that form rooms are used well and are ready for lessons.

Thank you for your support in this and all other school matters.

Ms. K.H.Pratt
Assistant Headteacher.

The Sanctions

If a student breaks the Lunchtime Code, she will be excluded from her form room for two lunchtimes. She will spend one of those lunchtimes in the Duty room as arranged by her Student Progress Leader. The conduct card will be signed.

Remember

- The school has a clear Lunchtime Code for use of form rooms, which is on the wall of every form room in the school. Doors must be open, lights on and students seated on chairs etc.
- Please respect the fact that you have the privilege of going into your form room and ensure that it is used following the code at all times.
- If the code is not followed, individuals or the Tutor Group risk being locked out of the room by the SPL.

Hospitality Event Afternoon Tea

This year the GCSE Hospitality event was able to go 'al fresco' due to the wonderful summer evening that graced us.

Our students planned, investigated and fund-raised in order for the event to happen.

They were also very fortunate in being supported by a local business, 'Gods own Junk yard' which loaned them lights for the event and added to the authenticity and ambiance on the day.

A huge thank you to
Gods Own Junk Yard
for their kind and
generous support.
