HEADTEACHER'S MESSAGE				
<p>Dear Parents and Carers</p> <p>We have welcomed our students back to the final half-term before the summer break and it has been a busy first week back.</p> <p>On Monday 3rd June, the school was honoured to welcome Ruth Posner, a child in Poland at the time of the Holocaust, who came to speak to our Year 9 students as part of the Humanities Department Holocaust Education Trust Day. Both staff and students were captivated by Ruth's vivacious character and wonderful sense of humour, which not only brought her story to life but also demonstrated a running theme throughout Ruth's story – that of her desire not to be seen as a victim. Rather than focusing on the atrocities committed and actions carried out by the Nazis, Ruth discussed her personal narrative and experience including events which she herself looks back at as if they were from a film, such as when she ran away from the camp and then obtained a passport to forge a new identity!</p> <p>In light of current events, with rising tensions between groups globally, Ruth used her talk to pose several philosophical questions to our Year 9 students, which stemmed from her own questioning</p>				

growing up – how did a civilised, developed country commit such atrocities and what made a group of people hate another to such an extent? These are important ideas for our students to consider if we are to prevent acts such as these and the whole day focused on exploring these issues with Year 9.

Despite Ruth's experiences however, she ended her talk not with negativity to the people still fostering such views, but by telling our students that they must accept that there will always be bad and good in the world and that there is always light in the dark. Our students have been extremely fortunate to meet Ruth, and as the last generation who may have the opportunity to meet with someone who survived the Holocaust, we are incredibly grateful that Ruth gave her time to visit WSFG.

The Humanities Department also had a busy end to the week with our annual Year 7 trip to Rochester taking place on Thursday and Friday. Students had a great time learning about the historically important town despite the rain on Friday. A full write up of the visit will be in the next edition of the Greensheet.

Finally, Ms Pratt, Assistant Headteacher has led our school assemblies this week on the topic of waste – an issue that is incredibly important to our current generation of students. It is great to see both teachers educating students, as well as, students informing their own education.

I hope all parents, carers, staff and students have a good weekend. To our Muslim community who celebrated the end of Ramadan earlier this week, I hope you had a wonderful Eid celebration, and to our Jewish community celebrating Shavuot this weekend, Chag Sameach!

Further to my letter of 21st May explaining the consultation regarding High Needs Block funding, I am writing to let you know that there are more consultation events planned.

These are:

Wednesday 12th June, 6pm-7.30pm
'Hazel Room', The Paradox Centre, 3 Ching Way, Chingford E4 8YD
(Disabled access, toilets and free parking in surrounding area)

Tuesday 18th June, 6pm-7.30pm
'The Hall', Leytonstone Library, Church Lane, Leytonstone E11 1HG
(Disabled access and toilets)

I would encourage you to come along to one of these events to find out more about the proposed changes.

A copy of my original letter is contained on the following page. This explains the reason for the consultation and how you can participate in the on-line survey.

Yours sincerely,

David Kilgallon
Director of Learning & System Leadership

I am writing to inform you that the Local Authority (LA) is consulting on a proposal relating to the High Needs Block (HNB) funding for April 2020 onwards. The HNB is the funding provided by the government for the LA to support pupils with SEND, Alternative Provision and a range of SEND services.

The consultation contains a range of proposals relating to SEND provision, largely concerning:

- Funding for special schools
- The level of support allocated to SEND advisory services
- A new model for supporting Education, Health and Care Plans (EHCPs)
- Plans to support pupils who are in need of Alternative Provision (AP)
- Plans to support pupils who are in need of Schools Resourced Provision (SRP)

Reason for the proposed changes

The Local Authority is required to consult annually with the Schools Forum (made up of heads, school representatives and governors from across the Borough) on financial issues relating to arrangements for pupils with SEND, in particular the places to be commissioned by the LA and the arrangements for top-up funding.

Background:

For the year 2020/21 the high needs budget given by the government to Waltham Forest will be approx. £29.5M. From this budget all special schools receive their total funding. The additional funding for EHCPs is also allocated from it, as is the funding for SEND support services, etc.

The current funding levels are based on historical decisions, and have not been reviewed for over 8 years. Given that the number of pupils requiring support has risen significantly in Waltham Forest, the system is now unsustainable based on the current levels.

Over the last few weeks, an 'Inclusion group', established by the Schools Forum, has been meeting to discuss and propose a way forward. The group has agreed the proposal as detailed in the Schools Forum report.

The proposal is that there will be 4 new funding levels - Level 1, 2, 3, and 4, (instead of the current 'letters' banding system):

Level 1 would be £5,000
 Level 2 would be £15,000
 Level 3 would be £21,000
 Level 4 would be £43,000

These figures are on top of the funding schools already receive per child with SEND. In consultation with their schools forum, local authorities make decisions about the delegation of funds to schools, which for primary and secondary schools is on the basis of a local formula, and on the spending of funds held centrally, most of which is used for making high needs provision. These spending decisions are most effective when there is a strong partnership between the local authority and the institutions providing education.

The schools forum is one way in which partnership working can be strengthened, particularly with schools. However, local authorities should engage with all of those providing education in their area, including early years settings and post-16 institutions, as well as parents and young people, in fulfilling their statutory duties to keep the services and provision for children and young people with SEND under review, as required by the Children and Families Act 2014.

The consultation will begin on Tuesday 21st May and will be open until June 26th at 5.00pm.

The consultation will be in the form of an on-line Survey Monkey. The link for the survey is: <https://www.surveymonkey.co.uk/r/ConsultationApril2020-21>

You may also complete the survey by scanning the following QR Code:

We will also accept written comments on the form attached.

Schools and governors are also being consulted on the proposals. In addition, I will meet with parents on Wednesday 22nd May, 10am-11.30am and also on Tuesday 4th June, 5.30pm-7pm, both at William Morris School, Folly Lane, Walthamstow, London E17 5NT to explain the reasons for the changes and to listen to parents' views.

Zanzibar 2020

Dear Parents/Carers

As you know, we have now launched Zanzibar 2020. Ms Simpson, Mr Caps and myself will be taking twenty one Year 9 and 10 students to Zanzibar for an amazing opportunity to volunteer in a school. We will be revisiting Kinuni school with the aim of maintaining our support for them and building a long term relationship with them.

We have a total of around £42,500 to raise as a group which is a huge amount of money!

We would really appreciate your help!

By shopping through [easyfundraising.org.uk](https://www.easyfundraising.org.uk) via the link below, **you can support our cause with no cost at all to yourself**. All you have to do is make an account and access retailers through this site. It really is quick and easy. You can even load the app onto your smart phone.

They have hundreds of retailers including Amazon, ASOS, ASDA, B&Q, holiday companies and many more.

The more people who sign up, the more money we can raise.

Thank you for your help!

The Focus of the Fortnight
3rd – 14th June 2019
Punctuality to School

Dear Parents / Carers,

The school values good habits and being on time is an excellent habit to form. It is very clear (see page 3 of the Student Planner) that students need to be at their desks, ready for registration by 8.45am. If a student arrives any time after that they will be given a late mark. A student may be late for a legitimate reason, such as an early morning appointment, in which case, please indicate this by writing a note for your daughter to explain her lateness. Please note that getting caught in rush hour traffic is not a legitimate excuse for being late to school.

The school sanctions for poor punctuality are detailed below.

Punctuality is also commented upon in your daughter's report / data collection throughout the year.

Thank you for your continued support.

Ms. K.H.Pratt
 Assistant Headteacher

The Sanctions

- If your daughter is late to school (without a good reason such as an appointment – traffic is NOT a good reason) she will be given a 10 minute detention at the end of that day with her Tutor. (See page of the 3 Student Planner).
- If she is late x2 times in a week, she will be given a half hour detention with her SPL. You will be informed of this detention.
- If she is late x3 or more times in a week, she will be given an hours detention with Ms. Pratt. You will be informed of this detention.
- Once she reaches x8 lates, she will be placed on a 2 week punctuality report by Ms. King. Her punctuality will be closely monitored and you as her parents/ carers will be informed of any improvements. She will also be rewarded if she improves her punctuality.
- **Remember** - being on time is a good habit to form!

Beats on Pointe Reviews

Celebrating Diversity Drama trip:

Ms Cornford, Ms Warren and I took nineteen students to attend a special performance last week at the Peacock Theatre.

It was Masters of Choreography's new show Beats on Pointe: a dynamic modern story of two opposing dance worlds; street vs ballet. Featuring a highly talented cast of dance athletes, an epic soundtrack, beat boxing, break dancing and comedic laugh out loud moments - it was truly a spectacular night out for all of us to experience! Here are some of our students' reviews:

The theatre production Beats on Pointe was amazing! It had some old school songs but it also had some songs from nowadays. One of the best songs in my opinion was Lose Yourself by Eminem. They also included a range of songs from Swan Lake to Despacito and also Ice Ice Baby! My friends and I were singing along and we were enjoying the fact that they were letting the audience join in by clapping and singing, it was so exciting and it made me really happy. We really liked the man in the tutu he was very talented (so were the other ballerinas and the hip hop dancers) and he was very funny. I think that the dresses were amazing. My personal favourite were the glowing tutus (dresses). This was an amazing production!

Rylie 7G

On Wednesday 4th June, we had the amazing opportunity of going to the Peacock Theatre to watch Masters of Choreography – Beats on Pointe. The production was outstanding and it was definitely a mind-blowing experience. Costume changes within the show were spectacular and left everyone in awe along with the numerous amount of dances that were performed by a very talented group of people. The production really showcased the performers' love for dance and they really got the whole audience involved with the show whether it was clapping along or by making everyone laugh. Going to the theatre is something I would recommend and after watching Beats on Pointe, I will definitely be going again!"

Here is an example of 4 different patterns.

Paula colours in a 2 x 2 square grid in lots of different patterns.

She only uses three different colours:
Red, blue and green.

She always colours all 4 squares.

Paula doesn't count different rotations of the same pattern (like the four on the right).

How many different patterns can Paula make?

Extension: What if Paula used four colours? Or a 3x2 rectangle?

A.G.M. and Reunion Event
Saturday 29th June 2019
11.00 a.m. to 2.00 p.m.

We are delighted to invite you to our Annual General Meeting and reunion on Saturday 29th June 2019 from 11.00 a.m. – 2.00 p.m. The Greek Theatre Players will be performing Richard II in our very own unique Greek Theatre after the AGM so why not combine them both and enjoy an afternoon of Shakespeare?

We will provide tea or coffee on your arrival and after the A.G.M. provide a complimentary lunch (but donations are most welcome) in the grounds outside the old Vicarage. This will give you a chance to relax and chat to friends old and new as well as look at photograph albums from the archives. Should the weather be against us, we shall hold the event inside.

After lunch why not support the Greek Theatre Players who have been performing Open Air Shakespeare since 1958. Purchase your tickets on the door. For more information see page for 13, or go to;

www.greektheatreplayers.co.uk

Doors to the Greek Theatre will open from 2.40 p.m. in readiness for their performance at 3.00 p.m. (Tickets on door £9 or £7 concessions).

This is an opportunity to sit and be entertained in our much loved Greek Theatre. No other access will be available to the Greek Theatre unless members wish to see the performance.

We regret that we will be unable to offer tours on this occasion as the school as many other groups use the school on a Saturday, however, we will be open on Saturday 21st September 2019 for Open House when tours and photographic displays will be available.

If you wish to join us please let us know if you have any special dietary requirements

We look forward to seeing you.

Please R.S.V.P. to Lesley Winter: Tel: 020 8509 9410

The Challenges of Migration of Caribbean Women to Britain

Speaker: Dr Elaine Arnold

7:30pm Saturday 8th June 2019,

Epicentre Leytonstone, E11 4LJ

The mass migration to Britain occurred without adequate preparation of the migrants & of the indigenous people. Nothing was done to help the latter to examine their stereotypical views of black people & to be less hostile to their presence. The migrants could not have anticipated the devastating effects that their experiences of broken attachments, separation & loss of all that was familiar would have upon them. Neither did they envisage the level of hostility based on prejudice & racial discrimination from every level of the communities in which they tried to settle. These experiences deepened their sense of isolation & loss & very often led to irrational behaviour. The intergenerational patterns of avoidant or disorganised attachments seem to be factors contributing to some of the current anti-social behaviour problems of many of the young people of African Caribbean origin.
