Monday 12–Wednesday 16 July GREEN trip Y9	<b>Headteacher's Message</b>			
	Dear Parents, Carers and Students			
	The end of term is fast approaching so I wanted to outline the arrangements for the end of this term and the start of the new one.			
Tuesday 20 July Ei d-ul-Adha (prov)	<b>Arrangements for the end of term</b>			
Thursday 22 July End of Summer Term details to follow	We <b>break up on Thursday 22<sup>nd</sup> of July</b> and students will be dismissed at lunchtime. I will confirm times with you in my letter next week. Lunch will not be provided but students who receive Free School Meals will be able to collect their lunch at break time.			
	The day will be a non-uniform day and students will be donating money to the charity chosen by their year group.			
	<b>Arrangements for the start of the new of term in September</b>			
	Ms Snowsill has provided a draft outline of the start of term (see page 5).			
	<b>This is provisional due to awaiting guidance about lateral flow testing from the LA and Public Health.</b>			

We will be staggering the return of students from **Thursday 2<sup>nd</sup> September** in order to allow for orientation and pastoral activities, as well as COVID testing. It is strange to think that current years 7 and 8 have not really explored the building properly because of the COVID 'bubble' system; current year 6 have not had their usual transition day.

As you know, the government has stipulated that students are tested twice on their return to school. We aim to make the process as smooth as possible and to ensure that students quickly return to learning and will update you as soon as we can.

**On Friday 3<sup>rd</sup> September**, we intend to have a PSHE recovery day, allowing students to catch up on pastoral issues and topics, as well as allowing our new year 7s to experience the transition activities which they missed.

We envisage that we will return to a traditional lesson timetable (as opposed to the staggered COVID timetable) and routines on our return. We know that this will be a welcome change for staff, students and parents and I know how frustrating we have all found it. Thank you for your support during what has been a challenging time for us all.

### **End of National Restrictions on 19<sup>th</sup> July**

You will have been closely following the news about the end of restrictions later this month. Although we break up on Thursday 22<sup>nd</sup> of July, which is after the end of restrictions, **we intend to maintain our current COVID measures until the end of term**. This will enable us to provide consistency, rather than creating a change for a few days, and follows advice from the Local Authority about the best ways to keep our community safe.

**Please continue to make sure that your child takes the twice weekly lateral flow tests for the safety of everyone in our school community.** I appreciate your co-operation in ensuring this happens.

**If your child has cold symptoms, please ensure that they stay away from school and get a PCR test.**

## Farewell to Year 11

We said farewell to our year 11s last Friday. It's not 'goodbye' because we know that they will return to visit us and become role models for the next generation of students. We had an idyllic afternoon in the Greek Theatre, accompanied by the wonderful year 11 steel pan band and were fortunate enough to have a sunny day! Students and staff paid tribute to the resilience of this year group and the bright future which lies ahead of them. It was lovely to see how fond the students are of the school and how much they will be missed by their teachers.

The afternoon concluded with strawberries and cream on the lawn. Year 11, we wish you well and look forward to hearing from you soon.

Wishing you a peaceful weekend,

Ms H Marriott  
Headteacher

**Start of Term Arrangements

**Monday 6th September**  
**All students start their normal timetable, on Week A.**

Students need to be in school in time to be in their tutor room **by 8.45am** when the register is taken.

### Message from the Chair of Governors

Dear Parents and Carers,

You may remember that a few weeks ago the Governing Body was recruiting a new parent governor. I am sorry to tell you that by the deadline of 24 June, we had received no applications. This is very unusual and we do understand that this may have been an impact of the current pandemic.

Being a parent governor is a really important role. It gives individual parents a voice on our governing body, which is responsible for the strategic oversight of the school, including the education your children receive and how the school's budget is spent. You will receive free training throughout your term of office as a governor of the school, so it doesn't matter whether you have experience of governance or not.

**We will be running the parent governor recruitment process again in September.** In the meantime, if you think you might be interested and would like to find out more about what's involved, please do contact the school. I would be happy to answer any questions you may have.

Kind regards,

Gillian Barker  
Chair of Governors

## Red Box Project

Dear Students,

WSfG's Red Box project is going GREEN. We will now be supplying students with a reusable sanitary pad pack which includes two sanitary pads and a storage/wash pouch. This is in addition to our usual supply of disposable sanitary towels should you need them in case of an emergency.

We would like to encourage students to get a reusable pack where possible in order to reduce the amount of landfill and to be more eco-friendly.

You can get your packs from Student Services.

**Free Summer STEM Programme**  
**Outbox 2021**

This August, Stemettes will be virtually bringing together women and nonbinary people with an interest in STEM to meet/play/learn and most of all have fun!

Across **four weeks of daily sessions**, group work and downtime, they will work on STEM projects or if they're over 16, professional certifications in Python & Cyber.

The programme will take place **3rd - 27th August, Tuesdays through to Fridays**. There will be three age streams: Junior (**7-11**), Connect (**12-15**) and Academy (**16-21**).

**We will start considering applications from Friday 9th July.**

### **Year 7 LLD Challenge Activity 'Making a Terrarium'**

The LLD Challenge activity 'Making a Terrarium' involving a group of Year 7 students took place last Friday afternoon. The students reused an old fish tank to plant an indoor mini-garden and also planted their own aloe plant to take home too.

In their feedback, the students said they enjoyed learning about and making the terrarium, touching the sand, gravel and compost, brushing the sand off the plants at the end, and taking a little plant home to grow.

You can see their finished project as you walk through the school allotment, by the wall. It has space for more plants so, if you are separating any succulents, please spare a couple so we can add more variety to it.

Our D&T Technician, Mr Trimithioti will build a little roof to protect plants from the weather, but the mini-garden may need to be sheltered somewhere indoors during the Winter months.

Many thanks to our Year 7 students, Ms Keserauskaite, Ms Dominique and Ms Barbier for donating the plants, Ms West, our Art Technician for the beautiful sand, and to other staff who supported our little project in other ways.

## Year 9 Performing Arts/Diversity Trip: *J'Ouvert* Harold Pinter Theatre

Eighteen Year 9 students were given the opportunity to go and see *J'Ouvert* with Ms Cornford, Ms Jean-Baptiste, Mr Ramlagan and myself last week.

The students behaved impeccably and loved this play based on the Notting Hill Carnival.

Here are some of their reviews:

*The performance was truly wonderful, I really enjoyed it, I particularly like the fact that they were embracing their culture and not feeling ashamed of it in any form. I also loved all the jokes and the fact that they were able to change their accents so quickly to match the different characters they were portraying. The fact that they had a DJ/ stall food person started playing music and they would instantly burst into a dance was unique. I also liked the rhythm of the words and how they all flowed and connected and the energy that they had. My favourite part of the performance was the speech given by the character Jade, I found it very truthful and inspiring the way she spoke so passionately.*

*Boluwatife 9C*

*I thought J'ouvert was amazing. I loved the energy it gave out, the dancing and the representation. I really wish I could watch it for the first time again because it gave me such a euphoric feeling, I was happy because I felt a part of something. The crowd was so inclusive, it felt like the play really brought us all together. If I had the chance to do it all again, I 100% would. Thank you so much for granting me this amazing opportunity.*

*Tolani 9S*

*I loved that the actors were very lively and had a lot of energy. The neon colours they were wearing were so eye catching! One of the messages that this performance gives is that people can be pushy and annoying, but you shouldn't let anyone disrespect you. I loved the music and dance performances.*

*Leigh 9G*

*I think that the J'Ouvert play was great as it talked about real life problems we are fighting today. I loved how there were only 4 actors, but they were all playing different roles. They brought out the best from our black culture. They showed the story behind the Notting Hill carnival, and it is much more than just a party. It is a celebration of a whole culture.*

*Rayaan 9G*

*Upon arriving for the play, we were really excited as we had heard the music playing and the lights were bright. When we got to our designated seats, we were extremely happy with our seats as we had perfect view from them. When the show had started, the actors had loads of energy and the costumes were bright, attractive and colourful. It was an amazing atmosphere to be around and if I had the opportunity to go again, I definitely would!*

*Rumana 9G*

*J'Ouvert was an amazing show. It sent a very powerful message to the Black Community and women. I loved how there was only a few actors playing different characters, but we understood everything clearly. I loved the song choices as they really hyped up the audience, it was a great show!*

*Nehir 9G*

*This play was a wonderful experience and the message behind it was amazing. As I have gone to Carnival before I have had the full experience of it and J'Ouvert completely reflected what carnival is all about. The coming together of people from all backgrounds and different cultures to enjoy the atmosphere of the carnival. Going to see this play felt exactly like that. The actors were extremely talented and some of the scenes were so relatable for me and some of the audience (as British Caribbean citizens) that it made it much more interactive. It shows carnival from a perspective never seen before, supporting Women's Rights and BLM. I feel so privileged to have been able to see such a fun and inspirational play.*

*Reannon 9G*

I am so happy they enjoyed it!

## E17 Art Trail

Our school BLM 2020 Exhibition is now on display at The Outset Centre, Grange Road. It is **Venue 38 in the E17 Art Trail**.

Work by WSfG students in Years 9, 10 and 11 with themes around **Black Lives Matter in the context of the Pandemic Year**, are shown. There are a real variety of techniques and ideas on display. Some of the work is outside in the courtyard, and some is in the cafe area. Well done and thank you to all these students who created work independently, as part of coursework (Year 10 and 11) or at extra sessions at lunchtime:

## School History

### Do you remember Green Shield Stamps?

**Green Shield Stamps** was a British sales promotion scheme that rewarded shoppers with stamps that could be used to buy gifts from a catalogue or from any affiliated retailer. The scheme was introduced in 1958 by Richard Tompkins, who had noticed the success of the long-established Sperry & Hutchinson Green stamps in America. The scheme was withdrawn in 1919.

#### THE BLUE STAMP ADDICT

Mrs. Brown was frantic. The cost of living was up again, she was heartily sick of trying to make ends meet, and no amount of complaining seemed to help. Whilst shopping one day in the High Street, however, she was excited to discover a new grocery store; on closer inspection, she was pleased to note that they had cut their prices, and for every sixpence spent, a blue stamp was given to the purchaser. She immediately went in and bought some articles to the value of three shillings, whereupon the smiling shop-keeper promptly handed over six blue stamps, a collecting book and a coloured brochure illustrating the many and varied objects to be gained on the completion of several books.

This opened up a new interest for her, as the next time she went shopping, several other shops had followed suit, including a chemist, confectioner and a clothing store. Time passed and greater grew her yearning for a type-writer, for she missed her old occupation as a typist. This required forty books of blue stamps. At first, her husband and children thought it was just a phase, but, to their cost, they found they were wrong. The children were reprimanded if they showed any preference for sweets bought at any shop other than the "blue stamp" confectioner's, and they were encouraged to buy sweets there, if only for one or two stamps. The husband, having seen a rather attractive tie, was told to be sure to buy one at the "blue stamp" shop, which rather upset his nerves - thus giving his wife the opportunity of buying him some nerve-settling pills at the "blue stamp" chemist.

This process went on for some time (indirectly being responsible for the daughter's failing her examinations, because she lived on settling pills) until at last Mrs. Brown attained her goal, or so she thought. She packed up her last piece of washing for the day, dressed her

youngest son for the occasion, put on her newest hat (already two years old) and walked to the bus stop.

She and Colin were soon at the nearest suitable shop and she began to wonder how she would take her prize home if it were not portable. She was quickly brought back to the present by noticing her son fingering the models on show. Having awarded him an affectionate clip, she next noticed a rather harassed clerk calling to her from over a counter. Steadily and skilfully he had counted every page of every book and then, looking at her over the top of his National Health spectacles, he informed her that she was one book short and that this was the last day of the blue stamp offer. Obviously in her haste at home, she had overcounted, but it was no use now rushing out to buy up what she could at the "blue stamp" shops. It was nearly closing day, and, in any case, she had no money. It was hopeless. Her dream was shattered. Nothing would console her, not any one of the other goods offered, and she turned to go home almost forgetting small Colin who was now climbing into a display window.
