	<b>HEADTEACHER'S MESSAGE</b>			
	<b>Dear Parents and Carers</b>			
	<p>We have had the usual busy week with extracurricular activities as well as our usual focus on educating and learning, and, in relation to Year 11 students, examination preparation and practical assessments.</p>			
	<p>Our Year 7 Netball Team played their final game of the league on Tuesday at Leytonstone School. Despite our students having a smaller team due to injuries, they ended up beating their opponents 6-3 which was an amazing demonstration of skill as well as resilience. Congratulations to the team, <i>Aminah, Ikram, Evie, Hannah, Debra, Che'Nye, Tenzin, Betty</i> and <i>Anna</i>, and my thanks to Ms Warren for training and supporting the girls throughout the league.</p>			
	<p>Our senior students have also faced challenges this week, with our Drama, Music, PE and Food Technology students either undertaking their practical examinations, or preparing for their upcoming examinations next week. Our GCSE PE students undertook their practical moderation on Wednesday morning which counts for 30% of their overall grade – I am sure our students felt a sense of relief going home in the afternoon and I wish the best of luck to all those who participated! The GCSE Drama students have taken part in Component Two of their Drama exam, consisting of two technical rehearsals on Monday and Friday. I am sure that our students feel well prepared ahead of their final assessed performance which is taking place next week.</p>			
	<p>Our Year 10 Drama students took part in a rehearsed reading of the play that they helped to develop alongside a theatre company earlier in the academic year, called 'The Hate Play'. 22 students from the year group went to see an adapted screenplay on Tuesday called 'Berberian Sound Studio' which is based on Peter Strickland's acclaimed subliminal horror film. My thanks to Ms Cornford for organising these events, and to the accompanying staff.</p>			

Year 10 students also took part in an all-day event on Wednesday on 'Violence Against Women and Girls', which was an interactive session giving our students the necessary awareness and tools to identify the various ways violence may be enacted upon women and girls. I hope the session helped our students have a wider and more nuanced understanding of gender based violence, as well as violence in general.

Violence is not limited to gender however, as the end of last week demonstrated with the Christchurch Mosque shootings. This was an abominable act of terrorism and, sadly, a reflection of an increasingly troubled world. Given the ethnic, cultural and religious diversity of our school, we have addressed and discussed this tragic event with students in classes and assemblies this week.

Please note that the seventh annual fundraising steelband concert will be taking place next week on Thursday 4<sup>th</sup> April. Tickets for the performance must be purchased in advance and I look forward to seeing many of you there. Turn to page 5 for more information.

Finally, a reminder that nominations for governors will close on Friday 5<sup>th</sup> April, which also marks the start of our Easter break.

Wishing all mothers a Happy Mothers' Day on Sunday!

Meryl Davies  
Headteacher

Dear Parents/Carers

21<sup>st</sup> March, 2019

Walthamstow School for Girls has a vacancy for two parents or carers to serve as a school governor and I hope you will consider putting yourself forward. The Governing Body's role is the strategic and financial oversight of the school, and ensuring that students receive a high quality education which prepares them for the next stage of their education. This includes planning for future development and improvements, but not the day-to-day management of the school. For more information please see the governing body section of the school website.

If you would like to stand as a candidate please complete the reply slip attached and return it to the school no later than 12 noon on Friday 5<sup>th</sup> April, 2019. If there is more than one candidate for the vacancy an election will need to be held, but this is a straightforward process. All you need to do is write a short paragraph (no more than one hundred words) saying why you want to become a Parent Governor; your statement will be sent to all parents and carers with a voting paper. Should only one parent or carer apply, then they will automatically become a Parent Governor. The term of office is four years.

The work of our governors is very important to the school in key areas such as oversight and development of the ethos and curriculum of the school; well-being of pupils; staff employment and use of resources as well as ensuring that the school maintains its high standards in all areas. You will be expected to attend an (evening) meeting of the Governing Body once or twice a term and to join one of its committees which also meets once a term. Governors are also encouraged to visit the school occasionally during the day and help in the oversight of an area of the curriculum as a link governor. We are not looking for any particular expertise, but rather a strong commitment to the school and its students, the inquisitiveness to question, and a willingness to give some of your time to governance. However, if you have specialist knowledge or relevant experience, do please mention this in your statement. Induction training is provided for all new governors and governors are encouraged to attend further training on specific areas of school governance paid for by the school.

As a school we are always mindful that the Governing Body should reflect the local community that the school serves and members of ethnic minority groups are therefore particularly welcomed on the Governing Body and are encouraged to stand for election as parent governors.

Please note that for the purpose of safeguarding, school governors are subject to an enhanced DBS check, administered via the school, which requires disclosure of any previous criminal convictions. Anything disclosed will not necessarily bar you from holding office and will be considered on a case-by-case basis by the school.

Yours faithfully

Meryl Davies  
Headteacher

**Please return this slip to the school before Friday 5<sup>th</sup> April, 2019**

I wish to stand as a candidate for election as parent governor at (name) School.

First name: .....

Family Name (Mr/Mrs/Ms etc.): .....

## Faculty News

### Year 10 trip to the University of Cambridge

Last week, thirty students from Year 10 spent the day at Gonville and Caius at the University of Cambridge. We are very fortunate that former WSFG student, Charlotte Gamble is in her first year there, studying history. She spent the day with us, showing us around and answering questions. The day was organised by our Schools' Liaison Officer, Rosie Costello. It was a fantastic opportunity for our students and we are very grateful to Charlotte and Rosie for their time and input. Thank you also to John Fowler and Alan Courteney, retired WSFG maths teachers, who came along to support the trip.

Here is some feedback from our students:

*The trip as a whole was not only enjoyable but very informative. It gave me a good idea of the different types of universities that exist like ones with campuses or colleges. We learnt about the grades needed and subjects that are the best to choose to keep our options open. Meeting Charlotte was particularly inspiring as she is an ex-student of WSFG. It was very helpful to talk to her and to ask her lots of questions. Meeting her is proof that students like us can get into top universities like Cambridge if we are prepared to put in the hard work!*

Saniya

*The Cambridge trip was a real eye opener. It was a great opportunity to see what a university of this calibre has to offer, from the food to the courses and societies. It showed me that it is a real possibility for me to study somewhere like this. The diversity there is an aspect that pleasantly surprised me and gave me the reassurance that Cambridge is open to everyone if you are willing to put in the hard work that is required.*

Ayan 10S

*The Cambridge trip was a fantastic opportunity. It was interesting to hear about all of the different clubs and societies. There is even one where students meet to eat chocolate! We had a talk on the various degree courses available which helped us to think about our future.*

Aatani 10S

*We had a talk about how universities work and it has really changed my perception of them. I am considering looking into Oxford and Cambridge for my further education. The day itself was very enjoyable and I am glad that our school allows such extracurricular activities to take place.*

V 10G

*I assumed that the University of Cambridge would fit the stereotypes surrounding it – a place for posh, geniuses who go to private schools. However, it wasn't! The trip taught me so much. For example, I learnt about the different types of universities and what they have to offer. Overall it was a very enjoyable day and I would love to go on more visits like this to compare. The most important thing I learnt was that nothing should hold me back from going to a university like this in the future.*

Mahima 10G

*I never knew before how to apply to university but now I have a clear vision of how to do it. I learnt lots of useful information about the universities of England. I really liked the gardens that we passed through and the beautiful architecture of the colleges. In general, it was an exceptional, interesting, educational and once in a lifetime opportunity!!*

Menele 10C

*The trip to Cambridge was really helpful as it gave me an insight into higher education. I learnt about the importance of hard work and perseverance to get in. Overall, the trip was great fun and really helped me to think about what A level subjects will benefit me the most in the future.*

## P.E. News

The Year 7 netball team played their final game of the league this week at Leytonstone School. We had a few injuries so the team was smaller than usual but the girls still played extremely well. They won the game 6-3 which was a great way to finish the league.

We now await results from other games to see if we have made it through to the semi finals. Please congratulate the following girls if you see them:

*Aminah 7C (captain)*  
*Ikram 7G*  
*Evie 7F*  
*Hannah 7C*  
*Debra 7C (player of the match)*  
*Che'Nye 7F*  
*Tenzin 7C*  
*Betty 7G*  
*Anna 7F*
