

## My Personal statement

### Course to study?

List possible courses and write brief words/phrases to say why they interest you. Also. what college/sixth form are you looking at? What attracts you to them?

### Future prospects?

E.g. university? What course? What job? Why?

### Hobbies and achievements

List them - in and out of school

### Areas of responsibility

List them - in and out of school. E.g form rep, sports rep, peer mentor etc

### Your best qualities

Make a list e.g. punctuality, attendance, proactive, independent, team player - why will that help you to be successful at college and a good member of the community?

What makes you stand out?

Anything else that sets you apart from others?
