

WSFG Options Preference Form: 2019-21

Name: _____ Tutor Group: _____

Choices must conform to the following restrictions:

- You must choose 4 preferred subjects and 2 additional reserve choices.
- You must choose at least **1 subject in bold** in the first column, which are English Baccalaureate subjects, amongst your preferred 4 subjects.
- The order you choose your subjects in is important. It will be assumed that your first choice is your first priority and so on with additional choices.
- Read the course descriptions carefully and seek advice from subject teachers as you will not be able to change subjects after allocation. Please note:
 - Latin: This will be an entirely new language. Read carefully the recommendations with regard to English levels,
 - Computer Science: Logic and mathematical skills are critical. We also offer a Creative iMedia qualification for those students who are interested in a digital studies subject,
 - PE: It is recommended that students choosing this also participate in an extracurricular sport. Please speak with your PE teacher.

We will aim to meet students' preferences but cannot guarantee that this will be possible in every case. Our ability to offer all the subjects is dependent on overall uptake and staffing levels.

I understand that although the school will attempt to meet my daughter's preferences but this cannot be guaranteed and my daughter may need to take an alternative option. We have carefully read the information on the subjects chosen and, where it was required, my daughter has spoken to her subject teachers.
