Walthamstow School for Girls - Greensheet

Headteacher Message

Dear Parents, Carers and Students,

We have had a busy couple of weeks since our last Greensheet. There have been a number of school events, including Jeans for Genes Day, the year 9 trip to Boulogne, Languages Day and our Great European Bake Off. There are more details in the articles below and some wonderful photographs! I especially enjoyed helping to judge the Bake Off cakes and feel certain that some of our students would not be out of place on the Great British Bake Off.

A huge thank you to you to staff and students for making last night's open evening such a roaring success. There was a wonderful 'buzz' about the building and a sense that everyone had pulled out all the stops to create the best possible impression of the school for our local community. Parents were so complimentary about conversations with staff, professionalism and kindness, as well as our ethos and the general organisation of the evening. Of course, the students are always the stars and they showed themselves to be the best possible ambassadors for our school community, whether in the HT talk, as tour guides or in faculties. I came away full of enthusiasm and great pride in being the Headteacher of our wonderful school.

Smart Watches

Along with other electronic items and portable devices, Smart watches are not allowed to be worn in school. As well as being expensive items that it is preferable not to have a student carrying around or wearing in school, most smart watches give access to a mobile phone and/or mobile phone notifications. In line with our policy on mobile phones it is not appropriate for these to be in school.

COVID: A message from the LA

There have been no changes to the guidance about managing single cases suspected or confirmed Covid-19 cases in education settings since March 2022.

While there is no longer a requirement for people to do rapid lateral flow testing if they are symptomatic, **any children under the age of 18 that do take a Covid-19 test and get a positive result should avoid contact with other people for at least three days, and anyone over 18 should avoid contact with others for five days.**

As most people will not be testing for Covid-19, students or staff experiencing respiratory symptoms and a fever of 38°C or above should not attend school until their temperature has gone and they feel well enough to attend. If in doubt, please see the NHS publication 'Is my child too ill for school?' for more details: [Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk)

Wishing you all a restful weekend.

Helen Marriott

Year 9 French Day Trip to Northern France

Bonjour! On Friday 22nd September, 60 Year 9 students embarked on an exciting day trip to Boulogne-Sur-Mer in the Nord-Pas-de-Calais region, a 30-minute drive south from the tunnel at Calais. We set off early and travelled taking the shuttle under the Channel. For some students (and staff), it was their first experience of travelling under the sea in the tunnel.

We began our day with the visit of a traditional 'Boulangerie' in Escoeuilles where students learnt to make bread from one of the oldest bakeries in the region - some of the bread still being made 'à l'ancienne' in a very old and deep brick oven. They also tried some delicious pains au chocolat freshly made for them earlier that morning.

Students were then able to explore the old town centre of Boulogne-sur-mer, where they used their language skills to buy souvenirs and snacks.

After lunch, we visited the most well-known chocolate factory in Northern France where students had the opportunity to learn more about the art of chocolate making of the 'Chocolats de Beussent' and were lucky enough to taste the chocolate.

Finally, we spent some time in Cité Europe which is a huge shopping centre, before making our way home late at night. It was a great day, and all students had a fantastic time. During both visits, our group was complimented for their politeness and exemplar behaviour. Well Done! C'était super!

We would also like to express a warm thank you to all staff accompanying the trip as such a trip would not be possible without their help.

À bientôt!

Students feedback:

"As much as I loved every part of the French trip, I adored the French bakery. I've always wanted to see one let alone learn how to make bread. The chocolate factory was a wonderful experience, and the man was so nice and understanding. I also thought the shopping was a great opportunity to practice our French. Overall, I think the whole trip was a great reward where we had to try new things, learn new things, and have fun. I'm very grateful for everybody in the French department who sorted everything out so we could have fun and be safe. Thank you for a lovely trip!"

- Audrey

"Visiting France was a very wonderful experience. During my time there, I was given the opportunity to practice casual conversations in French and learn more about French cuisine and culture. I was fascinated by the architectural style of the town in Boulogne-sur-Mer. The scenery and environment there were one to marvel at and embrace. Overall, my visit to France was so positive and I'd love to go again if given the chance!"

- **Magda**

"I really enjoyed the French trip due to the fantastic places we visited! At the bakery, we got to make delicious bread. We also got to see the fun process of how chocolate is made, and we also got to try some. Miam miam!"

- **Chlorie**

WSFG celebrates Languages Day

This week the Languages faculty hosted a range of activities to celebrate Languages Day. The faculty encouraged all teachers to tell students about the languages they speak. Staff were provided with a badge for the language they spoke in order to provoke conversations about languages, culture and the rich diversity we celebrate at our school.

Ms Flaender (Teacher in Charge of French) organised a Languages Day treasure hunt for Years 7-9. Posters were displayed around the school with facts about languages and students had until Friday to complete the activity sheet. The faculty were impressed with the number of students that completed the treasure hunt and all students who entered will receive Green Points.

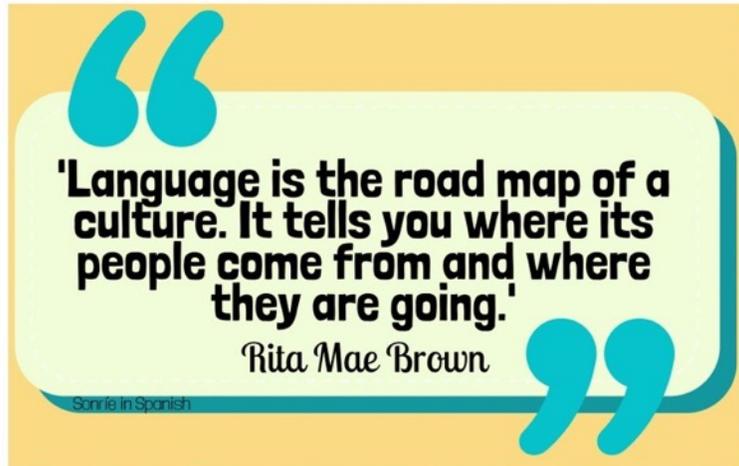

Languages Day 2023 *Treasure Hunt!*

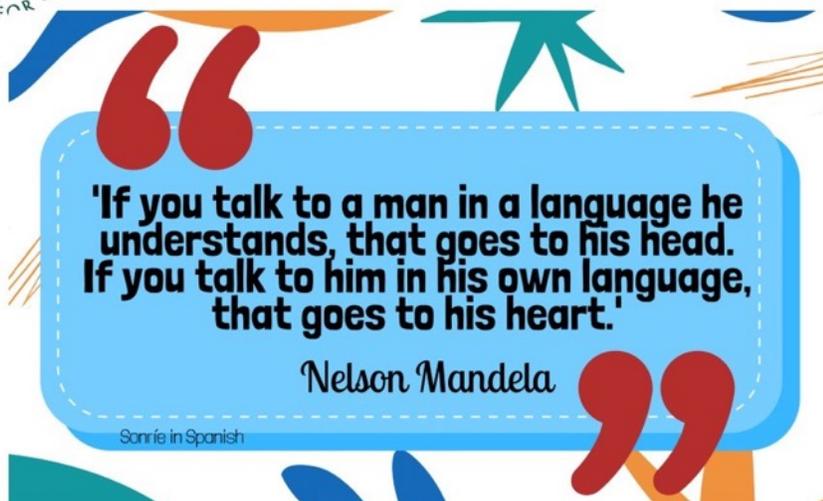

Languages Day 2023 *Treasure Hunt!*

Languages Day 2023 *Treasure Hunt!*

Year 7 tutor groups participated in a "Find someone who" competition. Students had to ask language specific questions to their teachers during the day to complete this activity. For example, find the teacher who has lived in another country. The winning group were the first group to complete the activity and hand it in to the Languages faculty office. A huge congratulations to **7C** who are the winning tutor group and will be awarded with Green Points and a Golden Ticket.

Years 10 and 11 were invited to participate in a Latin Treasure hunt organised by Ms Cheetham. There were 24 Latin root-words displayed on posters around the school. Students were asked

to bring a list with the Latin roots and at least one related English word that they could take from the posters. For example, Root word: ben (means good) Related English word: benefit
BONUS FRENCH WORD: bien.

Languages Day 2023 *Treasure Hunt!*

Did you know...

Latin is the language that was used by the Romans?

On Wednesday, the Faculty organised a whole school registration competition. We all know this situation: on a bus, in a café, on the street we hear two people talking in a different language. Tutor groups were challenged with identifying these languages. They had to listen to 33 clips and guess the language. The tutor groups battled it out to be the at the top of the leader board and winning tutor groups will be announced in assembly next week and prizes awarded.

The highlight of the week had to be WSfG's annual 'Great Languages Bake Off' competition. Students were asked to pick a country of their choice and bake a cake at home that represents that country. These could be decorated with flags, words, monuments and even more! Students baked the cakes at home and this year were able to bring their cakes into school to be judged. Students were given the option to take their cake back home to enjoy or donate it to the staff annual Macmillan Coffee Morning. The Languages faculty were overwhelmed by the fantastic array of cakes. Green points were awarded for all entries. Ms. Marriott and the faculty had the very tough decision of judging the entries in order to find the star bakers! After much deliberation, we are pleased to announce the winners:

Year 7

Matilda Lammin-Herbert 7S

Ellie Neil 7S

Clara Brumby 7G

Aya Francis 7F

Melania Dyrma 7F

Year 8

Anika-Rose Whiteman 8G

Inaiya Sefah 8G

Year 9

Aysha Yacoobali 9F

Elizah Mamewoollah 9S

Year 10

Aisha Hussein 10G

Year 11

Ace Harvey 11G

Staff

Tanya Rose

All winners will receive a certificate and a 'Star Baker 2023' commemorative wooden spoon and a Golden Ticket. A big well done to all participants! We look forward to return of the Great European Bake Off in 2024!

27th September 2023

Ellie Neil's Entry (Year 7S)

China – Mooncake

Mooncake and Mid-Autumn Festival

As you might know the Chinese Mid-Autumn festival is on the 29th of September this year, as the date is so close to WSFG's bake off competition, I have decided to make mooncakes to represent China.

Mooncakes are often shared by families on the night of the Mid-Autumn Festival and given as a festival gift to family and friends. The festival is a Chinese Public Holiday that is celebrated every year on the 15th of the eighth lunar month to thank the moon for good harvest.

What are Mooncakes?

Made from a sweet, dense pastry, mooncakes are traditionally filled with delicious red bean, sesame or lotus seed paste. To represent the full moon, there is often a salted duck egg yolk inside. They are often eaten on the night of the Mid-Autumn Festival celebration.

Our School History

WSFG Exam Results

We are very proud of our achievements, both past and present. The earliest records held in our archive, are the exam results from 1898 up to 1967. Some of the pupils listed, were the daughters of the founders of our school in 1890.

Alice Wise was the daughter of Dr. Wise, who was also a relative of our first Headteacher, Miss Blanche Hewett. The Whittingham family lived in Comely Bank and his daughters attended our school. William was a Headteacher locally and a local school is named after him. Carrie Whittingham and Florrie Gower were editors of 'Iris' our school magazine, which was produced from 1906 to 1974. The Gillard family owned a pickle and sausage factory in Hoe Street. Names of students who went on to study at university are displayed on the Honour boards in Hewett Hall.

Our school is still celebrating our achievements and fostering a lifelong love of learning.
Ms Kelly, LRC.

Year 11 'Are you GCSE and College ready?'

Year 11 'Are you GCSE and College ready?'

Parent Information Evening - Wednesday 11th October 5:30-6:30pm

Feedback from parents and carers last year told us that full year group events on general topics were not particularly useful. We have listened to this feedback and will be hosting a number of Parent Information Evenings that discuss specific themes.

The first of these will be specifically for Year 11 Parents/Carers. The focus of the evening will be on ensuring that Year 11 students are GCSE and College ready. The event will take place in the Hewett Hall and will start promptly at 5:30pm. If you have any questions which you would like answered as part of the meeting. Please do contact Ms Futo, Ms Philippou or Mr Morrow using info@wsfg.waltham.sch.uk with the subject 'Year 11 Parent Information Evening'. We will then aim to answer your questions as part of the presentation.

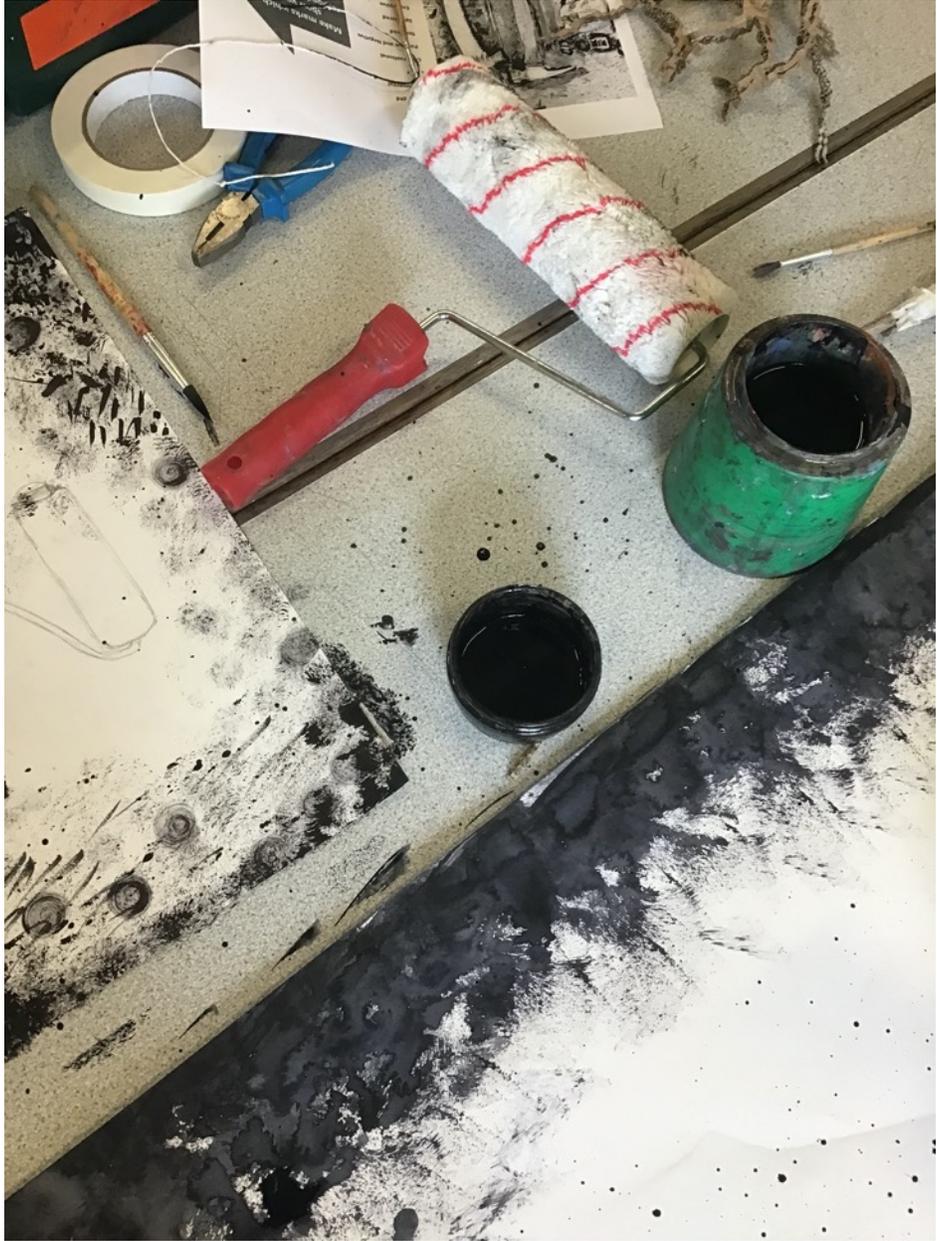

Faculty News

Art

Year 10 floor drawings of tools in the style of Jim Dine, an American artist - a fantastic start to Year 10! I am very impressed with the standard of work seen.

Ms Wills

English

Year 8 Public Speaking Competition on 14-July-2023

A massive well done to our six Y8 Public Speaking finalists, who presented their speeches in front of the entire year group on Friday, 14th July:

Haadiya Sarwar 8W

Elizah Memewollah 8F

Sofia Chowdury 8W

Hibba Rashid 8G

Emi Francis 8C

Bea Moriarty 8H

All six speeches were incredibly well delivered, with each students' passion, thoughtfulness, and talent well displayed. Our judges, Ms Schaber and Ms Fearon, had a very difficult time choosing a winner from such brilliant speeches, but in the end there could only be one winner.

Congratulations to **Hibba Rashid 8G**, for her winning speech about oppression faced by countries around the world!

Well done once again for all your hard work!

The English Department

Global Book Club

The School's Global Book Club has made its next selection. The next book is:
Yellowface by R.F. Kuang

Athena Liu is a literary darling and June Hayward is literally nobody.

When Athena dies in a freak accident, June steals her unpublished manuscript and publishes it as her own under the ambiguous name Juniper Song.

But as evidence threatens June's stolen success, she will discover exactly how far she will go to keep what she thinks she deserves.

What happens next is entirely everyone else's fault.

This Book Club is our Book Club's summer read. This means that students have the summer holidays to read it and the meeting date will be confirmed in September. The Book Club is normally open to all students in Years 10 and 11. However, Year 9 Students that are interested are welcome to read the book in preparation for formally joining the Book Club next year. Updates will be posted on the WSFG Global Alliance Team.

WSFG's Global Book Club has a focus on reading authors from a non-white background. We meet approximately once a half term. Copies of the book, if they cannot be found at your local library, can be collected from Mr Caps in the Humanities department. Any other questions about the Book Club can be directed at Mr Caps or Ms Cato. For more information, please see posters or the Global Alliance Team.”

Mr Caps

Bedrock Learning

Creating a Bedrock Guardian Account

To create your Bedrock Guardian Account:

- 1: Visit app.bedrocklearning.org
- 2: Click on 'Guardian/Teacher' tab.
- 3: Complete the form and enter: 2f7eb288
- 4: Check your email for your password, and log in.

Your child's username is:

Your child's password is:

You will find a parent guide via: bedrocklearning.org

Year 9 Bedrock Learners

For Year 9 students who have access to Bedrock, it is important to log in regularly at home. As you are preparing for your GCSE's you will have access to learning that will support you before you enter Year 10.

What is the Bedrock Library?

All learners can access this section, no matter which Block of content they are working on. It is suitable for all readers and abilities and is designed to stretch and challenge your vocabulary knowledge.

Go to "My Content" and then from the LIBRARY button of the vocabulary curriculum area you will find the activities.

The whole family can join in to support your learning.

Your guardians can support you when they create an account. You can use the activities and words on Bedrock around the home and share your knowledge with other family members.

If you would like to know more about Bedrock and how it can support you, log on to

To prepare for next year, you can log on to this section of Bedrock. This will give you access to the GCSE Jekyll & Hyde unit and the vocabulary used within a variety of different literacy texts - giving you the opportunity to prepare for the unseen element of future exams. You can still use Bedrock over the summer holidays, giving you a head start on your next year's learning.

Supporting your child at home - Bedrock Learning

Bedrock students attend a lesson once every two weeks. Students should also be logging on regularly at home, ideally 'little and often' having the greatest impact. Bedrock is designed to support students up to G.C.S.E. level and give them the language they need to support their learning.

Students have been given letters to take home with passwords for creating a Bedrock Parent account. Once you have signed on, you will then be sent weekly updates on how well your child is doing and be able to view the topic that they are working on.

Log in to your Bedrock parent account.

Use your dashboard to see which Block and Topic your child is currently working through on Bedrock.

We recommend starting with the prompts for the Block your child is currently working through.

Here is an example of words used in a lesson;

Lesson 8	Absorb - You absorb information everyday (like a sponge). What new information have you absorbed this week?
	Moisture - After a bath lots of people moisturise. What do you think are the advantages of this?
	Nectar - How is the nectar of plants spread in nature? (birds, bees, butterflies etc.)

Please contact the school if you have problems with logging on at home or would like to know more about how you can support your child with literacy and reading.

Ms Kelly, LRC.

“... the impact caused by different levels of parental involvement is much **bigger** than differences associated with variations in the quality of schools. The scale of the impact is evident across all social classes and all ethnic groups. (Desforges 2003).

Benefits of Reading

Why You Should Read Every Day - 10 Benefits of Reading

1. Mental Stimulation - The brain is a muscle which needs exercise to keep it strong and healthy, so the phrase “use it or lose it” is apt when it comes to your mind.
2. Stress Reduction - **Stress** slips away when you lose yourself in a great story.
3. Knowledge - Everything you read fills your head with new bits of information. The more knowledge you have, the better-equipped you are to tackle any challenge you’ll ever face.
4. Vocabulary Expansion - The more words you read, will lead you to use them in your everyday speech. Being articulate and well-spoken helps you to speak with self-confidence and increase your self-esteem.
5. Memory Improvement - When reading a book, you have to remember characters, their backgrounds, ambitions, history and sub-plots. **Every new memory you create forges new synapses (brain pathways)** and strengthens existing ones, which assists in short-term **memory** recall.
6. Stronger Analytical Thinking Skills – Solving a mystery before finishing the book, means that you were using your critical and analytical thinking skills.

7. Improved Focus and Concentration - When you read a book, all your attention is focused on the story—the rest of the world just falls away and you become involved in the world of the story.

8. Better Writing Skills - Reading expands your vocabulary: published, well-written work has a positive effect on writing and writing styles of authors will influence your own work.

9. Tranquility - Relaxing with a book, creates a feeling of inner peace and tranquility.

10. Free Entertainment - You do not have to buy books, for low-budget entertainment, you can visit your **school or [local library](#)** and it is free.

There's a reading genre for every literate person on the planet and something to capture your curiosity and imagination. Step away from your computer for a little while, crack open a book, and replenish your soul for a little while.

Ms Kelly, LRC

TRY SOMETHING NEW AND JOIN YOUR LOCAL LIBRARY

You can join your local library online. Books and activities are free and there are also computers for you to use.

Just click on to the following link - <https://www.walthamforest.gov.uk/libraries>

Ms Kelly, LRC

We are a **READER LEADER SCHOOL**

Every Tuesday during morning registration, the LRC is used by the *Reader Leader* programme. We have 15 Year 10 volunteer Reader Leaders, who have received training to support 15 of our Year 8 students with their reading and encourage them to read for pleasure.

The *Reader Leaders* support the younger students through their book choices, reading activities and talk about the books they are reading. Older students gain valuable skills and the younger students gain confidence in their reading abilities.

As we are now recruiting *Reader Leaders* from Year 9 students, the Year 10 students spoke to the Year 9 assembly about their experiences of *Reader Leader*.

“Taking part will help you develop many qualities that will help you in the future, such as, communication and leadership skills.”

“You have to be friendly, encouraging and have patience with them to encourage them to want to read and help them enjoy reading. It is also important to listen to your reader to find out their interests so that you can help find a book you think they would enjoy.”

Here is what the Readers said about their experiences.

“It has made me a better reader. It has helped with my literacy and vocabulary. It’s helped me to be more confident. I’m on track now and I wasn’t before.”

I would like to thank our Reader Leaders for taking their time to support our younger students. **Faye, Rain, Manahel, Maria, Aminata, Nour, Neenuya, Saoirse, Hafsa, Nabeeha, Michaela, Harriet, Myla, Agshara and Tabitha.**

Well done,
Ms Kelly, LRC.

Focus of the Fortnight

25th September – 6th October

The focus will be on

Noise and Movement in the school corridors

Expectations

- In order to stay safe, we move around the school calmly, safely and quietly.
- We do not run in the corridors.
- We walk on the left.
- We behave with kindness and hold doors open for people.
- The corridors are not for social gatherings as they need to remain clear.

Sanctions

- Any student breaking these expectations will be spoken with by a member of staff and a sanction may need to be applied.

Parent and Carer Information

Information about Personal, Social and Health Education

Dear Parents and Carers,

In term two of PSHE students will study a scheme of learning that focuses on the importance of respectful, healthy and caring relationships. This curriculum follows Government statutory guidance. We hope we share with you the view that being taught about relationships by adults who value respectful and healthy relationships is preferable than learning from the internet and peers.

We hope you find this quote from the [Government RSE guidance](#) reassuring:

The aim of RSE is to give young people the information they need to help them develop healthy, nurturing relationships of all kinds, not just intimate relationships. It should enable them to know what a healthy relationship looks like and what makes a good friend, a good colleague and a successful marriage or other type of committed relationship. It should also cover contraception, developing intimate relationships and resisting pressure to have sex (and not applying pressure). It should teach what is acceptable and unacceptable behaviour in relationships.

This will help pupils understand the positive effects that good relationships have on their mental wellbeing, identify when relationships are not right and understand how such situations can be managed.

Effective RSE does not encourage early sexual experimentation. It should teach young people to understand human sexuality and to respect themselves and others. It enables young people to mature, build their confidence and self-esteem and understand the reasons for delaying sexual activity. Effective RSE also supports people, throughout life, to develop safe, fulfilling and healthy sexual relationships, at the appropriate time.

The Government guidance is also clear about the rights of parents and carers to withdraw their child. These are outlined below:

Can parents withdraw their children from school Healthy Relationships and Sexual Education?

The Children and Social Work Act 2017 brought about some important changes in relation to parental rights to withdraw children from school RSE:

- Parents are not able to withdraw their child from Relationships Education in primary school or secondary school.
- Maintained primary schools are required to teach National Curriculum science, which includes some elements of sex education. Parents do not have a right to withdraw from this.

- At secondary school level parents will be able to withdraw their child from sex education (other than the sex education which sits in the National Curriculum as part of science in maintained schools).
- However, a child will also have a right to opt into sex education from their 15th birthday (specifically three academic terms before they turn 16).
- Schools will continue to be required to publish policies on these subjects for parents, and statutory guidance will continue to set out that schools should consult parents on those policies to ensure they are feeding in their views.

We are not able therefore to withdraw your child from all PSHE lessons but only those specifically related to sex education, and, if this is the case, we will let you know specifically which lessons these are and on which dates.

If you wish to withdraw your daughter specifically from the lessons on sex education, you will need to complete the request form in the policy, [on this link](#) and to address this to the headteacher, Ms Helen Marriott.

We will then contact you to discuss which lessons this applies to for your daughter this academic year.

School Calendar

Key Dates of the Autumn Term:

Friday 6th October - INSET Day

Monday 9th October - This is my school - Year 7 event

Tuesday 17th October – College Roadshow – Year 11

Friday 20th October – break up for half-term

Monday 30th October – return to school

Monday 13th November – Friday 1st December – Year 11 mock examinations

Thursday 30th November - Year 10 Parents evening

Thursday 7th December - Presentation Evening

Wednesday 20th December - Student Christmas Lunch

Friday 22nd December – last day of winter term

Term Dates 2023 - 2024

Student Absences

When reporting a student absence, please call the school absence line or text message in before 9am on the day of the absence. **Kindly do not email the school to report this.** Due to the high volume emails received, we cannot guarantee your notification will be seen and actioned before absence text messages are sent.

Thank you for your cooperation

Emergency School Closures or Severe Weather

In the event of an emergency school closure, the decision on whether the school stays open will be taken by the Headteacher after carrying out a risk assessment.

In the event of severe weather, the school will remain open when possible.

Information about any closure will be available on the school's website:

www.wsfg.waltham.sch.uk

by phone:

020 8509 9446

or via a text message

We aim to send text messages to parents and carers, although there are sometimes delays in getting these messages through promptly, so please check the school's website for up to date information.

Please ensure that the School Office has on record up to date addresses and telephone numbers, including a mobile number and the person to contact in the case of a student emergency.

It is essential that the school has at least **one** land line and a mobile number.

Blazers

All students need to wear blazers at all times. You must come through the school gates at the start of the day wearing your blazer. If you are not wearing it you will be asked to put it on by the member of SLT on gate duty or the Head of Faculty on late gate.

Blazers must always be worn whilst moving around the building. If you are hot in a classroom and would like to remove your blazer you should ask permission from the member of staff delivering the lesson before doing so. If you are leaving the classroom for any reason you need to put your blazer on.

At the end of each lesson your teacher will check everyone has their blazer on before dismissing you.

If you are not wearing your blazer around the building you will receive a behaviour point. If you forget your blazer and leave it at home you will also receive a behaviour point.

Mobile Phones

Dear Parent/Carers,

At WSfG we are aware that a number of you require your children to carry a mobile phone when on the journey to and from school for safety. To this end the school makes provision for your child to secure her mobile phone in the school office at the start of the day and collect it at the end of the day.

Children are NOT allowed to carry their phones with them during the school day and if they do, they run the risk of it being confiscated if it is seen or heard.

The confiscation period lasts for 48 hours and during that time you will be contacted by the school office to make arrangements to collect the phone from school.

Please make it clear to your child that they cannot keep their phone on their person during the school day and that if it is confiscated it inconveniences you as the family in a number of ways.

Thank you for your support

Ms Pratt

Assistant Headteacher Designated Safeguarding Lead

iPads

It has come to our attention that some students are bringing their own iPads into school. This is a potential safeguarding concern. Please be aware that if we find students using their own iPads, they will be confiscated for 48 hours and parents will be asked to collect, as we do with mobile phones.

Student Detentions

This year the late detentions and uniform/chewing gum detentions will take place during a Wednesday lunchtime. Tutors will read out the detention list during registration on Monday or Tuesday morning. Students will also receive a reminder note on Wednesday morning. Students should report directly to their allocated room at 12:30pm.

If students do not attend their detention they will be set an extended SLT detention after school that week and parents/carers will be contacted.

Here is a reminder of the detention categories this year:

Late twice in one week = 30 minutes detention
Late three + times in one week = 60 minute detention
Chewing gum = 30 minute detention
3 x no lanyard = 30 minute detention
3 x no blazer = 30 minute detention
3 x no school shoes = 30 minute detention
3 x no planner = 30 minute detention
Ms Warren
Assistant Headteacher Pastoral and Well Being

Pupil Premium and Free School Meals

Dear parents/carers

Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, our school will receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help students reach their full potential, regardless of their background or financial situation. It's provided for students who:

- are registered for free school meals; or
- have been registered for free school meals at any point in the past 6 years; or
- are, or have been, in care; or
- have parents in the armed forces.

At Walthamstow School for Girls we get an extra £985 for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on

- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Your child might also be eligible if you're in a household with no recourse to public funds (NRPF), subject to a maximum income threshold. This is for children of:

Zambrano and Chen carers (non-EEA nationals caring for a British citizen residing in the UK)

- British National (Overseas) passport holders
- Spousal visa, work visa, or student visa holders
- Those with no immigration status
- Families with a right to remain in the UK under Article 8 of the European Convention of Human Rights
- Families receiving support under Section 17 of the Children Act 1989 who are subject to a no recourse to public funds restriction
- Certain failed asylum seekers supported under Section 4 of the Immigration and Asylum Act 1999

Does my child have to eat the free school meals?

No. Students who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please visit [Free school meals | London Borough of Waltham Forest](#)

More information

For more information about pupil premium go to our website, which contains details of how the pupil premium has been spent in the past academic year and how it will be spent this year.

Career Information Sessions for Parents and Carers

As a parent or carer, you undoubtedly want the best for your child, and that includes their education and future career. So why not join one of our career information sessions and find out the educational and career opportunities available for your children.

With so many options and pathways available, it can be overwhelming to navigate the many decisions that come with helping your child prepare for their future. That's why we're excited to invite you to our online information sessions about education and career pathways.

These sessions are designed to provide parents with valuable information and resources to help guide their child's post-16 education and career journey.

Additional dates and sectors will be added over the coming months so please check regularly for updates.

To book your place please visit our website: www.capitalccg.ac.uk/events/careers-events

Logo Design Contest

LOGO DESIGN CONTEST

Hello! We are the Waltham Forest Mental Health Support Team.
Help promote our support services for children and young people in schools.

WHAT DO YOU NEED TO DO?

- Read the prompts on Page 2 and design a logo to promote our mental health support service for children and young people in schools.
- Submit your design in person to Julie King or the MHST Team Member at your school on 06/10/23.
- Mention your **name, year group and school name**.

WHY SUBMIT A DESIGN?

- Each designer will receive free merchandise once the contest closes - we are thankful for your participation!
- The winning designer will be awarded an Amazon voucher worth £25!
- The winning design will be used to promote our service across Waltham Forest as the official logo of the Mental Health Support Team.

FREQUENTLY ASKED QUESTIONS

I only want to draw and not use the computer or phone, is that okay?

- Yes, that is absolutely okay! We will equally consider all designs, freehand or graphic.

I have more questions, who do I ask?

- You can direct them to your Mental Health Lead, Julie King.

Win a £25 Amazon voucher!
CONTEST DEADLINE: 6th October 2023

THE PROMPTS

You can use some or all of this information to inform your design.

WHO ARE WE?

We are the **Waltham Forest Mental Health Support Team** and we are a mental health support service for **children and young people**.

WHAT IS OUR TAGLINE?

Our tagline is "**Children's Mental Health Matters.**"

WHERE DO WE WORK?

We mainly work in primary and secondary schools across **Waltham Forest**.

WHAT DO WE DO?

We **support mental health** and **well-being** for children, young people and caregivers in schools.

HOW DO WE SUPPORT YOU?

We work with you **1-to-1** and in **groups**. We also offer **workshops** in school and support your **caregivers** and **teachers** in supporting you.

WHAT COLOURS CAN YOU USE?

WHAT ARE WE LOOKING FOR IN A LOGO?

We're looking for a design that captures the answers to the above questions. Take a look at the sample logo:

Global Alliance Calendar - October

Black History Month: Honoring Inspirational Role Models

October is synonymous with Black History Month in the United Kingdom. It's a time to recognise the invaluable contributions of black individuals throughout history and in contemporary society. We believe it's essential to celebrate those who have inspired us, such as civil rights activists, artists, scientists, and community leaders. This year the theme is "Saluting Our sisters".

In this spirit, we will be featuring inspirational women figures from the black community who have made significant contributions or have recently gained recognition for their outstanding actions. These role models serve as a reminder of the incredible impact individuals can have on the world when they stand up for justice, equality, and change.

Malorie Blackman's commitment to addressing important social issues through literature and her advocacy for diversity in publishing have made her a significant figure during Black History Month and throughout the year. Her books have opened important dialogues about race, prejudice, and inequality, providing valuable insights and opportunities for reflection for readers of all backgrounds.

Aya S.

Dina Asher-Smith is a British sprinter and an exceptional athlete who has made significant contributions to the world of athletics and has been a source of inspiration for individuals of all backgrounds. Her dedication to advocating for racial equality and inclusivity make her a respected and influential figure. Her remarkable achievements on the track, her commitment to making a positive impact off the track, and her status as a role model for young athletes all contribute to her significance in celebrating the achievements and contributions of Black individuals in sports and society.

Freya C.

Jacky Wright is a prominent figure in the field of technology and finance, known for her significant contributions to both industries. Her achievements serve as an inspiration and a testament to the progress made by Black professionals in traditionally underrepresented fields. Jacky Wright's career trajectory, from finance to technology and government, showcases her adaptability and determination to excel in diverse fields. Her advocacy for diversity and inclusion, her leadership in digital transformation, and her commitment to mentoring and developing future leaders make her a noteworthy figure during Black History Month. Her story underscores the importance of breaking down barriers and creating opportunities for individuals from all backgrounds to succeed and lead in their chosen fields.

Ayla T.

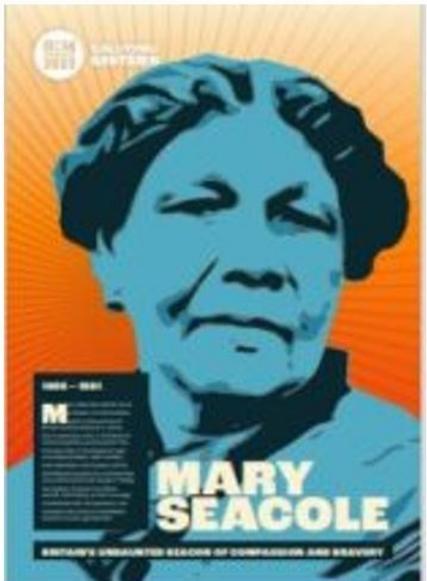

Dr. Anne-Marie Imafidon is a British-Nigerian mathematician, computer scientist, and educator whose significant contributions to STEM (Science, Technology, Engineering, and Mathematics) education and advocacy for diversity and inclusion. Dr. Anne-Marie Imafidon's contributions serve as a shining example of how individuals can use their knowledge, expertise, and passion to break down barriers, inspire the next generation, and foster greater diversity and inclusion in STEM fields. Her work underscores the importance of celebrating the achievements of Black individuals in STEM and promoting opportunities for all to excel in these critical fields.

Karen Blackett is a highly accomplished and influential figure in the fields of advertising, media, and business. While her contributions may not be as widely recognized as some other historical figures during Black History Month, her achievements serve as an inspiration and a testament to the advancement of Black individuals in various industries. Her advocacy for diversity and inclusion, and her commitment to mentoring and inspiring others serve as a powerful example of the positive impact individuals can have in breaking down barriers and creating more equitable and diverse workplaces.

Claudia Jones is often hailed as the "Mother of the Notting Hill Carnival." In 1959, she organized the first Caribbean Carnival in London, which later evolved into the iconic Notting Hill Carnival. This celebration of Caribbean culture and heritage has become the largest street festival in Europe, attracting people from all backgrounds and promoting unity through music, dance, and vibrant costumes. Claudia Jones's commitment to racial and social justice, and her unwavering dedication to the rights of marginalized communities have left an indelible mark on the history of the Black diaspora in both the UK and the United States.

Mary Seacole, a remarkable Jamaican-Scottish nurse and businesswoman, made significant contributions to healthcare and nursing during a time when racial and gender prejudices posed immense barriers. Her contributions to nursing, her dedication to caring for others, and her unwavering commitment to breaking down racial barriers continue to inspire people worldwide. During Black History Month and beyond, her story serves as a testament to the importance of diversity and inclusivity in healthcare and society as a whole.

Exciting Events in London: Join the Celebration

<https://www.blackhistorymonth.org.uk/>

Black History Month in London is a vibrant and enriching celebration that pays tribute to the significant contributions and achievements of the Black community in the United Kingdom. Throughout October, London hosts a variety of events, activities, and exhibitions that showcase the cultural, historical, and artistic heritage of Black people. Here are some common types of events you can expect during Black History Month in London:

Saturday, 14 October 2023

<https://www.vam.ac.uk/event/W83yyxjxO9/online-curator-talk-japan-myths-to-manga>

October 24 - United Nations Day

Marks the anniversary of the United Nations' founding in 1945, promoting peace, cooperation, and human rights.

While not a BAME-specific holiday, it's widely celebrated in the UK and provides an opportunity for cultural exchange and understanding as people from various backgrounds participate in festivities.

Wednesday, 25 October 2023 – Friday, 27 October 2023

Japan

Get inspired by stories of Japan, and join in our free creative events for all ages.

<https://www.vam.ac.uk/event/lj9nRGNjDBO/october-half-term-japan-2023>

On now until Friday, 2 August 2024

Hazara dress and embroidery from Afghanistan. Afghanistan has always been home to many peoples and cultures. The display showcases examples of historic Hazara dress and embroidery, dating from across the 20th century.

<https://www.vam.ac.uk/event/R7BV5VdP7L/hazara-dress-and-embroidery-from-afghanistan>

This calendar provides a diverse array of celebrations, historical events, and cultural observances, offering opportunities for students to learn about and appreciate the rich tapestry of cultures and identities within the school community and around the world. Teachers and students can explore these events through educational activities, discussions, and presentations to promote multicultural understanding and inclusivity.

In conclusion, October is a month brimming with cultural diversity and celebrations. We encourage everyone to embrace the beauty of this diversity, learn from different cultures, and participate in events that promote unity and understanding. Let us use this month as an opportunity to expand our horizons, celebrate inspirational individuals, and connect with our global community.

Thank you for your attention, and let's make October a month of appreciation, education, and celebration.
