Contingency day in the event of national or significant local disruption to examinations in the UK: **Wednesday 24 June 2026**

In the event of national disruption to a day of examinations in summer 2026, the awarding bodies will agree the most appropriate option for managing the impact. As a last resort, the affected examinations will be rescheduled. If it is agreed to reschedule the examinations, the affected candidates will be expected to make themselves available in such circumstances. Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those covered by special consideration, they will not be eligible for enhanced grading. Centres must, therefore, ensure candidates and parents are aware of the contingency arrangements so that they take them into account when making their plans for the summer.

Results Day: **Thursday 20 August 2026**
